MARK YOUR CALENDARS!

OCTOBER 17, 1986 NASCA will conduct a PUBLIC and MAIL BID AUCTION in our New York Offices. Consignments will cheerfully be accepted at Memphis.

TERMS OF SALE

- 1) A 10% buyers charge will be added to the hammer price of each lot purchased.
- 2) All bids are per lot as numbered in this catalog.
- 3) We reserve the right to withdraw any lot prior to sale.
- 4) All successful bidders shall be billed for postage, handling and insurance.
- 5) NASCA reserves the right to reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.
- 6) A NASCA auction bidder expressly waves any claim or right to an accounting, damages or compensation arising out of NASCA's failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.
- 7) United States coins and currency will not, in conformity with law, be opened at less than the face value.
- 8) No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.
- 9) In the case of a tie between a mail bidder on the book and the floor, the mail bidder shall take precedence.
- 10) All bids must be in whole dollar amounts; this includes percentage increases.
- 11) Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.
- 12) No minors may participate in our sales. Agents bidding on behalf of others will be held liable if their principals fail to make payment.
- 13) Payment for purchases is to be made in cash upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1½% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their bids in advance.
- 14) Title does not pass until payment in full is received. NASCA reserves the right to await clearance of any check before making delivery.
- 15) If a collection agency attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by NASCA shall be borne by the defendant. The signer of a NASCA bid sheet or participant in the auction concedes the jurisdiction of the courts of New York State or the U.S. in Nassau County or New York City as NASCA alone shall elect. The participant in a NASCA auction also assumes both corporate and personal liability for unpaid auction bills.
- 16) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.
- 17) NASCA may reopen the bidding on a lot under the following circumstances: 1) NASCA has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before the bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the Auctioneer.
- 18) In the event of any dispute, the decision of the auctioneer is final.

GUARANTEES AND RIGHTS OF RECOVERY

- 19) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.
- 20) Persons placing bids are responsible for meeting the maximum amounts represented on their bid sheets. NASCA reserves the right to reject frivolous complaints and to take appropriate actions against such bidders under paragraphs 5 and 15 above.
- 21) All material in this catalog is guaranteed to be genuine unless otherwise described.
- 22) No lots may be returned by floor bidders except for non-authenticity.
- 23) Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or forty-five days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it.
- 24) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (45 days after the sale), notify NASCA of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.
- 25) In the event of litigation the plaintiff shall pay NASCA's legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the prime rate at Morgan Guaranty Trust Company from the date of actual disbursement.
- 26) The same protections applicable here to NASCA apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.
- 27) NASCA assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.
- 28) All accounts are payable to NASCA in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice. No payments will be received by NASCA in the form of credit cards for auction sales, catalogs or other monies due to NASCA.
- 29) The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale.**

Condition Terminology for Paper

- Gem Unc.** (Gem Uncirculated) - The perfect uncirculated item, clean, bright, vivid, crisp (where paper permits), well-margined, unimprovable, without folds.
- Choice Unc.** (Choice Uncirculated) - A lovely uncirculated item, having only a hint of aging or unevenness of the margins, face or back, or narrow margins which take it out of the "Gem" class.
- Unc.** (Uncirculated) - As made or issued, but margins may be poor, the item lightly aged, with border trimming.
- Choice AU** (Choice Almost Uncirculated) - Essentially a mishandled uncirculated item with deficiencies like a corner fold, teller counting smudge or count wrinkling.
- AU** (Almost Uncirculated) - There is one fold, a teller counting smudge or counting wrinkling present.
- EF** (Extremely Fine) - An item which may, at first glance, look uncirculated but which has several petty folds, or a hard crease down the center perhaps with corner folds. Crisp, bright, vivid and pleasing, the paper as made, permitting.
- VF** (Very Fine) - Typically an item marked by moderate quarterfolds with perhaps a few other signs of handling. Should be clean, not seriously aged, torn, or pinholed.
- F** (Fine) - The last grade of an item in which the paper still has body. The folds are numerous and the design is beginning to show signs of soiling wear.
- VG** (Very Good) - A well circulated item, complete, unimpaired except for petty edge splits, pin holes, some surface splitting along heavy folds and soiling.
- Good** (Good) - An even more heavily circulated item with body holes, petty tears and splits, very soiled and tired, scarcely legible.
- Fair** - Heavily worn, split, holed, up to 10% gone, legibility seriously impaired.
- Poor** - A mere remnant, tattered and torn, scarcely readable with typically more than 10% of its surface area gone.
- A or Abt** (before a grade) - A shade below the grade it preceeds.
- Plus or +** (following a grade) - A shade better than the grade.
- VF-EF** (hyphen between grades) - The grade is about halfway between the two grades shown.
- VF/Good** (slash between two grades) - Face and back are two different grades. The grade preceeding the slash is for the face. The grade following is for the back.

Condition Terminology for Coins

Circulated coins are graded according to the ANA guidelines. Numerical designations for uncirculated coins are according to generally accepted industry standards.

- 1011 **STATE OF SOUTH CAROLINA (SC)** 1869. \$1000 Bond, Cu, (Cr-69B1), ABN, gr, bk. The error consists of the fact that the coupons are for \$35 each whereas a 6% should have \$30 coupons. (\$60-100)

☐ First installment payable December 26, 1798 to John Ashley for \$800.66 principal and \$98.06 interest. Part printed indenture signed by all 5 trustees including Ashley. In 1791, when the capital was located at Washington, Robert Morris, James Greenleaf *et al* tried to corner the real estate market by engrossing all the lots and holding them for a price rise. Unfortunately the city did not become an instant Metropolis, prices were pushed too high, would-be purchasers were able to buy elsewhere and Daniel Carroll of Duddington foreclosed on Morris bringing bankruptcy to the whole consortium. Greenleaf assigned his lands to his creditors with recourse and the properties were liquidated at a great loss.

Sweeney as County Treasurer was the brains of the "Ring". Hoffman became N.Y.'s Governor. Connolly as Comptroller got 20% of the loot. The "Riot Damages" were those caused by the N.Y.C. Draft Riots July 13-16, 1863 which resulted in the destruction of over 100 buildings, the killing or wounding of almost the entire police force, the defeat of two Federal regiments who lost their guns and colors (Battle of 8th Avenue) and the deaths of up to 3500 people. Among those sacked were Brooks Brothers whose clothes were worn by some highly suspicious characters for years afterwards. **EF**, cc. ☐ Check, as last but **\$54**. 3-31-1871 for "cleaning & supplies for county offices" signed by A. 1072 TEXAS SCRIP (TX) 1836. 640 Acres of Land. Ptd. by Wm. M'Kean, 4 pages quarto. VF. (Photo) (\$500-1000)

Consists of the sale form by Thomas Toby of New Orleans to Samuel Williams together with printed copies on the third page of Provisional President David G. Burnet's appointment to sell lands and Burnet's proclamation authorizing the sale of public lands at not less than 50¢ per acre. The shortage of cash in Texas led to land sales or the sales of bonds convertible into land - hence the \$640, \$320 and similar denominations. Note Williams' transfer of his claim to a Maryland man.

□ \$5000 (Cr-37A) 1846. Error "REPUBLIC" of Texas on 3rd line. F-VF, long split at the top, CC. 1073A STATE OF TEXAS (1874). \$1000 (Cr-74A) NBN, bk, br. VF, stained, aged, hole out of the top edge. (Photo) (\$200-350)

Note the closeness of the number of this bond (909) and the Criswell plate item (906) as well as their stained character. Clearly these were all together at one time and only a handful surviving.

1073B NEW YORK & TEXAS LAND AND EMIGRATION ASSOCIATION (NY). 1847 50 Shs. (1000 Acres each) RWH, Lone Star, U.S. eagle, indian buffalo hunt. F-VF, scattered staining, a small piece out of the top right. (Photo) (\$350-650)

1074 SWARTWOUT (TX) c1838. One share (of 100 authorized) Telegraph Press-Houston. VF-EF, aged, ink corrosion holes. (Photo) (\$200-400)

Made payable to "Genl. A. Sidney Johnston & B.C. Franklin". Johnston (1803-1862) was a U.S. Army Officer, first Texas Adjutant General (1836) Sr. Brigadier General in the Texan Army (1837) Secretary of War of Texas (1838-40), then went on to serve in the Mexican War, the Utah Expedition and the Civil War being killed at Shiloh. B.C. Franklin was a Texas patriot and jurist. The certificate was signed by James Morgan a Texas pioneer and developer. The name Swartwout was derived from Samuel Swartwout, a New York financier who backed this abortive project.

1074A CITY AND PORT OF TRESPALACIOS (TX-OK) 1845/6. \$50. (1 lot block KK) U. Black typeset on blue paper. Unc, fading around the edges. (Photo) (\$175-300)

Another land development scheme to induce foreign capital into Texas. The British having been burnt in 1837-42 (some states never did pay off their bonds) were not in the mood for new, risky speculations, especially as many objected to lending money to slave holding areas.

1074B ARKANSAS AND TEXAS LAND CO. (TX) 1831. 1 Sitio (4428-430/1000 acres) Certificates No. 224, 228. VF, foxing stains, attached by a red ribbon. (Photo) (\$400-750)

Accompanied by a letter (1851) from Preston King to John W. Thompson Esq. saying that King has talked in Washington with the Texas Comptroller who advised him that the grant was worthless as the recipients had never taken effective action to meet its conditions of the grant. Preston King (1806-1865) was a U.S. Congressman 1843-7; 1849-53 thus at signing; U.S. Senator 1857-63 etc. Thompson was probably one of his constituents from the Ogdensburg, NY area.

1074C NEW ARKANSAS AND TEXAS LAND CO. (NY-TX) 1833. One share (3615 English acres or -1/11,200 part estimated to equal 4,017 -6/7 acres). VF, stains, a piece out of the top edge. (\$350-600)

This was a New York group formed by Messrs. Thomas Ludlow Ogden, Daniel Jackson and Edward Curtis to take over, via Col. Reuben Ross, a grant in Western Texas originally awarded to John Charles Beales and Jose Manuel Royeula. Obviously this was not better acted upon than the "old" company and despite the high number of this certificate (6093) no one seems to have gotten rich on this scheme - the usual fate of such grants.

RARE LAND GRANT

- 1075 **DOMINGUEZ GRANT (TX-MEXICO) 1829/31. 1 Labor** (of land - 177-136/1000 English acres). **F-VF**, foxing and aging. **(Photo)** **(\$500-1000)**

The grant ran from the Red River (Arkansas River in the grant) down the 23rd degree longitude 120 miles, went for 60 miles and then back north to the river. John Dominquez was the son of Christobal Dominquez who was the Spanish governor of Texas in 1813. While rumored about 1828, the grant was not published until 1829. An Empresario, Dominquez was entitled to five leagues of land for each suitable family he introduced into the area. He and other grantees never owned the land and could be fired by the Mexican government at any time. It is little wonder therefore that this scheme vanished without a trace. We can find only an offer in the Streeter Sale at SPB in 1966 for a mere \$100. It is clearly worth more now.

- 1075A **GALVESTON BAY & TEXAS LAND CO (NY-TX) 1830. One Share (1 Labor, or 177 -116/1000 acres).** E.S. Messier, NY. Steel plate, cupids, border and map of the grant. **EF. (Photo)** **(\$600-1000)**

This is the second oldest Texas stock certificate being a system for Lorenzo de Zavala, Joseph Vehlein and David G. Burnet (later provisional Governor of Texas 1835-6) to get into the empresario business (see the Dominguez grant). The map shows an immense area, covering perhaps 40-50,000 square miles.

Note that the top edge is glue stained and roughly cut; the bottom edge is simply a deckle edge. There is also a letter regarding two parties becoming partners in the dubious enterprise.

- 1075B **ANTONIO LOPEZ DE SANTA ANNA (NY-MEXICO) 1866. \$500 Bond, Cu. Lane, NY, rd, bk, 4 vignettes. VF. (Photo)** **(\$500-800)**

Issued by Santa Anna to get money for a comeback in Mexico. The bond holder was pledged various properties which the erstwhile Mexican strong man neglected to mention had been confiscated and weren't his to pledge. The funds were partially embezzled by dishonest associates and the residue were lost in 1867 when the U.S. fleet blocked him. Santa Anna (1795-1876) blind and bankrupt was allowed to return to Mexico to die in 1874. Able and energetic, he failed as a general and a politician because he was unable to master details. His defeat by the Texans in 1836 (see the attached post card) was due to this failure to post any sentries during the sacred siesta period.

- 1076 **STANDARD OIL (OH). 1876. 100 shs. Maverick, Stephen & Co. (Photo)** **(†★\$2500-Up)**

- 1078 **SADORNS and Other Early Pennsylvania Oil Companies. 3 Pcs.** **(\$210-300)**

□ SADORNS & OIL CREEK PETROLEUM 1865. 100 shs. Haehnlen, oil scene. Fold splitting. □ HAMILTON MCCLINTOCK 1865. 200 shs. Corlies & Macy, rd, bk, oil and Columbia statue. RN. Abt. Fyffe was colonel of the 26th Ohio Volunteer Infantry serving the Western VA campaign (1861), was sent to KY with his unit which defeated General Zollicoffer at Mill Springs KY (Jan 19, 1862). In August 1862, he double-timed his unit and defeated General N.B. Forrest near McMinnville (August 1862). Fyffe was near Louisville during Morgan's raid (December 1862) and served in a Sheridan Division of the Army of the Cumberland. Fyffe was seriously wounded at the Battle of Lookout Mountain and was sent to Washington D.C. where he commanded an invalid corp defending the city against General Earby (July 1864). Fyffe left the army with a tombstone promotion to BG in 1865. RN.

- 1081 **WINE COMPANY OF PA 1811. One share, type-set, corporate seal.** **(\$100-150)**

The certificate is watermarked "WL", has a clipped lower right corner tip with a scalloped left indent. This firm was part of a variety of schemes to reduce U.S. imports of foreign wines. The schemes, except for some production in N.Y., failed in the face of exceptionally cold weather in the early 1800's.

- 1082 **MADISON MANUFACTURING ASSOCIATION (NH) 1812. 10 shs.** Typeset, assessable for another \$50, foxing, wax seal. **(Photo)** **(\$75-125)**

Issued out of what is now Peterborough in southern New Hampshire when under the impact of war and blockade numerous manufacturing concerns were started in New England.

- 1083 **RANCOCUS TOLL BRIDGE (NY) 1793. One share, typeset, fancy corporate seal at left, registered to Joshua M. Wallace, the President who owned 6 of the 100 shares; (William Cox, Jr. who signed as Treasurer owned 13). Abt. VF. (\$200-300)**

The large certificate, par value £30 is accompanied by photostats of various documents pertaining to the firm and its operations. The apparent return on the investment was about 7% on a cost of £2,932.14.5. The surplus above the imputed rent came to £20 or so, which presumably covered the collection costs.

- 1084 **MERRIMACK BRIDGE (MA) 1795. 145 shs., typeset on laid paper with a wax and paper seal, corners trimmed.** **(\$200-300)**

Signed as President by Francis Carr (1751-1821), merchant, local representative 1791-5, 1801-3, 1806-8; State Senator (1809-11), U.S. Congressman (1812-13).

- 1085 **DELAWARE BRIDGE AT MITCHELL'S AND HOWELL'S FERRY (PA) 1812. 5 shs. \$5 per share subscription form.** **(\$75-110)**

Well into the 19th century the shortage of ready money compelled this use of installment payments whether for shares or bonds.

Reportedly One of Six Known

- 1086 **HARRISBURG BRIDGE (PA) 1812. One share.** Typeset, embossed corporate seal with an arched bridge. Quarto, fold splits, body hole in right border. (**\$85-120**)
- 1087 **SKOUHEAGAN BRIDGE (PA?) 1824. One share.** Typeset, wax and paper seal with a crude bridge and "SB". Abt. VF, foxing petty edge splits. (**\$70-120**)
- 1088 **BANK OF THE UNITED STATES OF PA (PA) 1837. £250.** Typeset with eagle; 12 month Post Note payable at Baring Brothers in London. Signed by Nicholas Biddle (1786-1844) as President by Samuel Jaudon the Bank's London agent as cashier. EF, hand cancelled as "Paid". 2 Pcs. (Photo) (**\$100-150**)
- Also an engraved portrait of Biddle by J.R. Longacre and T.B. Welsh after a portrait by Rembrandt Peale, with a facsimile of Biddle's signature.
- This bond was issued as part of Biddle's scheme to make a market for U.S. cotton in England by buying it for bills payable in England where he sold the cotton. This operation, his pocketing of the early profits and the subsequent issues led to his trial for fraud (he was acquitted) and to a wide range of civil suits which were in process at the time of Biddle's death. Note that the Post Note is printed on red silk fiber paper of a kind used for the Bank's Notes.
- 1089 **BANK of the UNITED STATES of PENNSYLVANIA (PA) 1837. 2 shs.** (**\$200-300**)
- Engraved by UBSH, Liberty, eagle, ship vignettes.: Post-federal corporate embossed seal at left. Signed by Biddle as President and Jaudon as Cashier. Also a deposit receipt for \$100 on a share of stock in Amsterdam, 1843. Hope & Co., et al as Trustees. Attached dividend coupons, all wmkd with the names of the Trustees. IR. EF.
- The Bank of the U.S. was a popular investment with the Europeans who did not realize how badly Biddle had been running it since 1832. Hence the survival of so many British held certificates. The second item corresponds to our ADR's today because foreign stockholders were not permitted to vote for bank officers. Note the issue date (1843) and the coupon date (1840-5) by which time the bank had not only ceased paying dividends: it had been put into receivership.
- 1090 **FARMERS BANK of MARYLAND (MD) 1807. One share.** Typeset, embossed corporate seal, left. EF, paper folds, a pin hole and right edge nicks. (**\$150-200**)
- 1091 **ESSEX BANK (MA) 1812. One share.** Copper engraved plate, sharp corporate seal, U.S. 25¢ embossed revenue (1799-1801) with "Massachusetts" at top left. (Photo) (**\$175-300**)
- The bank was set up in Salem in 1799 and this share is registered to Benjamin Pickman (Jr) (1763-1843) member of the MA House (this at issue) member of the Council; U.S. Congressman (1809-11) and overseer of Harvard etc. The bank while capitalized at \$300,000 sank from sight leaving no issues for Wismer to record and the certificate was obviously never transferred. The antedated tax stamp may have come from the printing of the paper when the bank was set up and not at the time of issue.
- 1092 **OXFORD BANK and Another Early American Banks. 2 Pcs.** (**\$125-175**)
- OXFORD BANK (MA) 1826. 25 shs. Typeset, paper seal. F-VF. Also, a stock transfer by the registered owner ordering the conveying of 20 shs. and appointing a party with power of attorney (CT) 1836. □ BANK OF THE MISSISSIPPI (MS) 1819. 10 shs. typeset, VF-EF, edge tear, three pieces out of the edge or corner, small body hole and curiously trimmed top edge. □ BANK OF THE STATE OF MISSISSIPPI (MS) 182—. Certificates for stock in the bank. EF, aged, horizontally split in half with pieces out of the edges and corners (2).

This Bank was the main Mississippi Bank 1811-31, but the State became dissatisfied with it and repealed its monopoly in the late 1820's. The Bank's officers decided to wind up the concern in 1831 even though the charter was to run until 1839. Because of this, any securities of this bank are rare, there being only one note and a few checks, one of which went for \$65 in 1979 in the D.C. Montgomery collection sale.

Morgan (who shut Gates out of Wall Street) and Gates was compelled to seek solace in the oil industry and the development of Port Authority of TX. □ LEHIGH COAL CO. (PA) 1796 **One share**. Being one fiftieth part of the coal lands of Northampton County. Ex the Lehigh Coal and Navigation Co. files. **VF**, stained at center and bottom. □ LEHIGH COAL CO. (PA) 1796 Different form, same transaction as last. **One share**. Part typeset. Signed as President by John Nicholson (1765-1800) Auditor of Accounts and Comptroller of PA (1780-5). Receiver General of Taxes (1785-94), Partner of Robert Morris in founding the North American Land Company, Pennsylvania Population Co., etc. Attested to by M(ichael) Hillegas (1729-1804) Philadelpha merchant, U.S. Treasurer (1776-89) a founder of the Bank of North America and the Lehigh Coal Mining Co.

This company began the anthracite coal age in the United States, and its share certificates, which have never been seen before and are not found in any public archive, are historically important for this reason. The shareholders of the company were from the Lehigh Valley and Philadelphia. The stock was sold by subscription, but was never publicly traded. After 1818, the assets of the company were held by Josiah White and Ezra Hazzard, founders of the Lehigh Coal & Navigation Company, and by 1838, all the original shares had been repurchased by White on behalf of LC&N. All told, the Lehigh Coal Mining Co., an unincorporated partnership, had very few documents, and for this reason this certificate is very rare and desirable. **VF**.

- 1129 **IRISH REPUBLIC (NY) 1865. \$20. Promissory Note. CBN. Gr, bk, rd seal. VF. (Photo)** **(\$70-120)**

This is one of the so-called "First Republic" issued, the "Republic" being set up in New York in the mid 1860's. Such issues were one of the ways Irish patriots could express their sympathy for an independent nation even when they were unable to participate directly in the events taking place in their homeland. The "First Republic" was part of a widespread movement which sought redress for grievances by attacking British interest elsewhere. Irishmen helped the Canadian rebels in 1837-41 and took an active role in the Fenian raids on Canada in 1869-73, when U.S. opinion looked indulgently on such doings because of British support of the Confederacy. This movement expired with better times, being able to sell very few bonds and circulate still fewer notes. It is reported less than \$200,000 was issued in all categories.

THE PENN CENTRAL COLLECTION

RAILROAD STOCK AND BOND CERTIFICATES GENERAL CERTIFICATES REPRESENTING CORPORATE INVESTMENTS

The Penn Central Corporation is one of the largest companies in the United States, and for over a century its predecessors were engaged in the transportation industry: the Pennsylvania Railroad, starting in 1846, and the New York Central Railroad, starting in 1853. These two companies and the many others they controlled eventually grew into a tremendous system covering the northeastern quadrant of the United States. It encompassed many activities related to rail transportation. When Penn Central sold its transportation business after 1974, it entered other businesses, and its holdings of stock and bond certificates were slated for liquidation, a process which is to begin with the Auction at the Memphis International Paper Money Show, June 20th and 21st, 1986. We are making history here, not only in bringing to the collecting public a very rich trove of great diversity, depth and historical importance, but also in recalling that history itself, as we must in order to fully appreciate these pieces as collector's items. There follows a list of the Presidents of the two major systems, with their dates, to provide some perspective. We shall be supplementing this information, and will also publish a complete list of all the companies whose certificates will be offered. As to the cataloging itself, there are some new techniques we shall use to present the material as carefully and clearly as possible. First, we shall illustrate as many of the pieces as possible. Then, we shall indicate the total number of items of the variety shown. There may occasionally be questions about the actual number of examples, and we shall indicate this by a question mark. For many of the companies, the total is well under fifty or even twenty five, and a difference of a few units will make little difference. We shall always state these numbers conservatively; we must ask your understanding where further work with the archive results in a change of the quantities we were originally given, or believed to be correct. As reference sources for the companies themselves are generally available, we shall not overly describe the lots, unless specific reference is deemed appropriate. As to estimates, we have tried to be conservative, but as usual, the market will be the best judge. We hope you will enjoy this, the first look at one of the most exciting archives available today, and that you will share your reactions and ideas with us so that we may continue to serve you well.

UNITED STATES CURRENCY

War of 1812

Act of February 24, 1815

1401 \$10. (KL-P13). Abt. Good. (Photo) (\$300-500)

Heavily worn, a piece out of the top left corner, body splits peppered with large pinholes. The top and bottom borders are trimmed, but this is still a very collectible filler of this **Rare** early U.S. Treasury Department note. Most we have seen come with unsightly punch hole cancellations.

†UNLISTED ESSAI FOR A DEMAND NOTE BACK

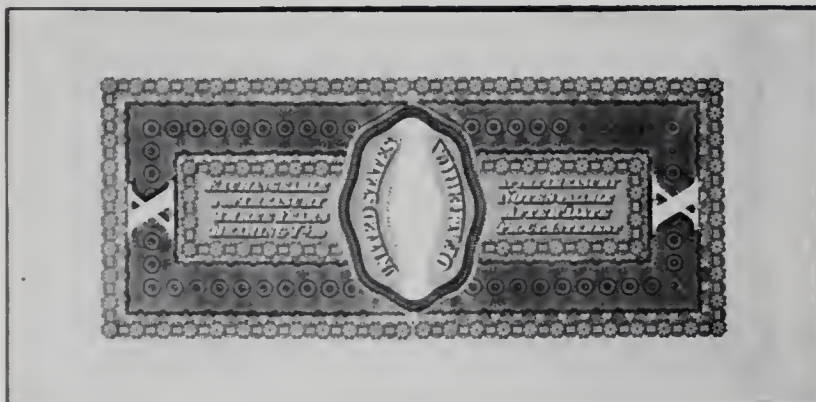

1402 \$5 Demand Note Essai Proof back by ABN, green. AU. (Photo) (\$500-Up)

India paper mounted on blue paper with glue stains along the sides and scattered foxing.

Identification of this as a demand note comes from the fundability of such notes into the 7.30 % 3 year U.S. notes sold during August-December 1861.

Unlisted Demand Note Essai Back

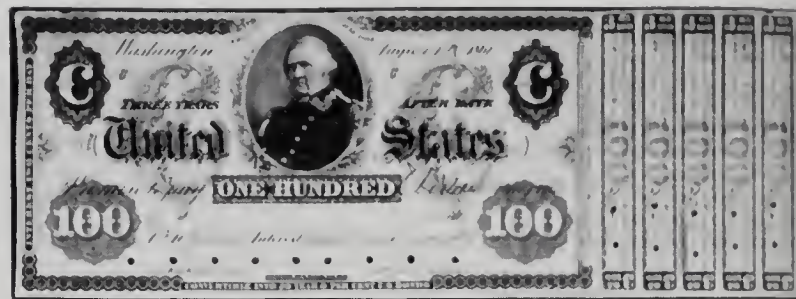

1403 \$10 Demand Note Essai Proof back by ABN, green. AU. (Photo) (\$500)

India paper on a card that is wider than the paper lengthwise. There is a tear in from the right side into the India paper but not into the printed area. Scattered foxing is present.

An examination of the Acts authorizing the Demand Notes and the 7.3% notes (payable in three years) to which this back pertains discloses that the Demand notes were fundable - hence the identification.

Please note that a 10% buyers charge will be added to each lot purchased on all purchases.

Act of July 17, 1861
Dated "August 19, 1861"
3 Year 7.3% Notes
One of Two Known

1403A \$100 C. Hessler 208/1144. EF, POC. (Photo) (\$900-Up)

Green and black Proof by ABN on India paper only. Three repaired top edge splits, one of which extends into the portrait. Splitting along the gutter fold between the note and its coupons. There is also a repaired split in the bottom border. Nine punch holes in the signature blocks and two in each of the coupons.

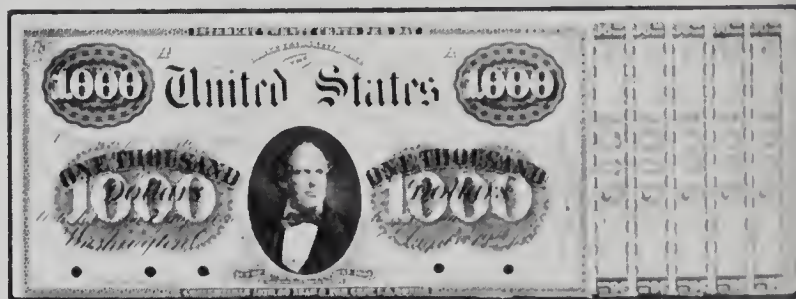

The earliest we can trace this back to is the Mayflower 1974 sale, this item having appeared twice in the interval, being the second item mentioned by Hessler.

One of Six Known

1403B \$1000. B. Hessler 210/1396. EF, POC. (Photo) (\$1500-Up)

Green and black Proof by ABN on india paper only, a coupon fold and a center fold. Two punch holes in each signature block. Light foxing, nicely margined. Traceable back to the Mayflower 1974 Sale.

1403C \$1000. A. Hessler 210/1396. EF, POC. (Photo) (\$1500-Up)

Green and black Proof by ABN on india paper only. A coupon and note fold. Two punch holes in each signature block. The lower border is trimmed just to the edge of the design and is a bit rough. There is a smudge at the upper left and a light rust-colored streak vertically through the edge of the first coupon.

1403D \$1000. C. Hessler 210/1396. EF, POC. (Photo) (\$1500-Up)

Green and black Proof by ABN on india paper only. A coupon fold and a center fold. Two punch holes in each signature block. The upper border is trimmed just to the edge of the design and a few slivers of border are missing.

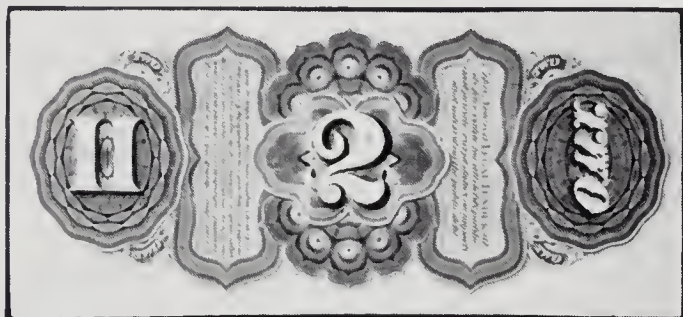

1404 \$1 Fr-30. 1880. Unc., closely margined. (\$125-200)

1405 \$1 Fr-30 1880. AU, a light center fold, and a lightly stained top right corner. (\$75-125)

Extraordinary Low Numbered Note

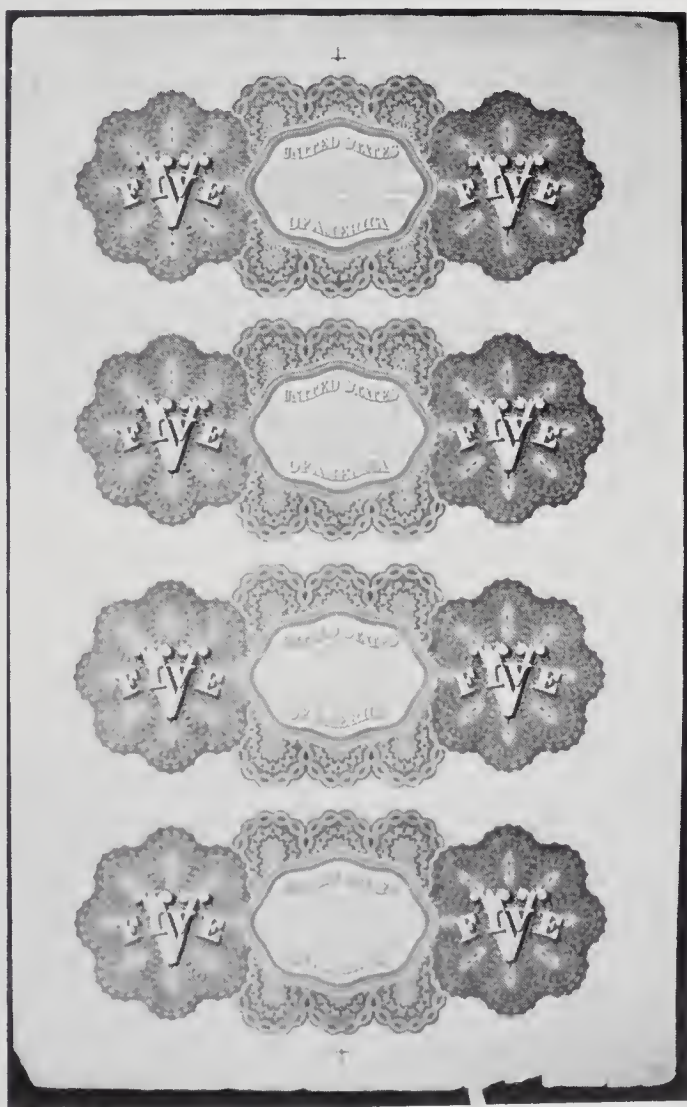

1406 \$1 Fr-37. 1917. Choice Unc. (\$100-150)
Narrowly margined, crisp, bright, vivid. No. H5A.

1407 \$1. Fr-40. 1923. Unc., with a trace of teller handling at the top left and a narrow upper margin. (\$100-150)

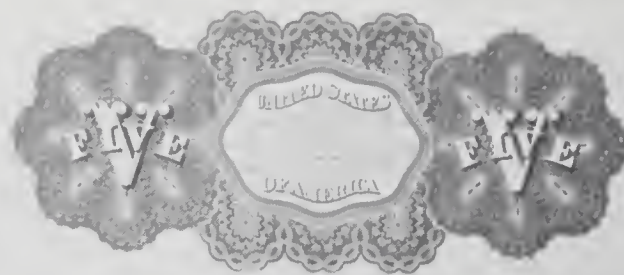

1408 \$2 Fr-42. 1869. Proof on india paper only. BEP. AU, folded lower right corner. (Photo) (\$300)

Excessively Rare First Obligation Sheet

1409 \$5, \$5, \$5, \$5. Fr-61. 1862. Proof back sheet by ABN. India paper on card. Green. AU. (Photo) (\$1200-Up)

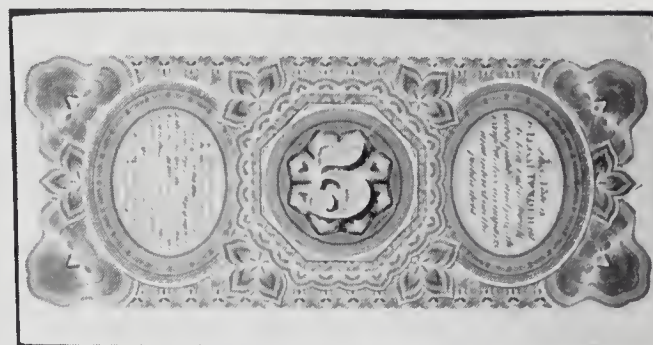

Plate 24, bottom and top edges frayed and split. The 2nd and 3rd backs are pristine; the 1st and 4th notes are affected by the splits. Edge soiling, foxing and a right edge tear.

1410 \$5 Fr-61. 1862. Proof, india paper on card, by ABN. Green. Unc, Stained at the top, foxing at the edges. (\$300-Up)

1411 \$5 Fr-61a 1862. F-VF. (\$125-200)
No. 87065, quarterfolded both ways with other folds, the side top corner margins are very tight. Quite bright and vivid.

Essai

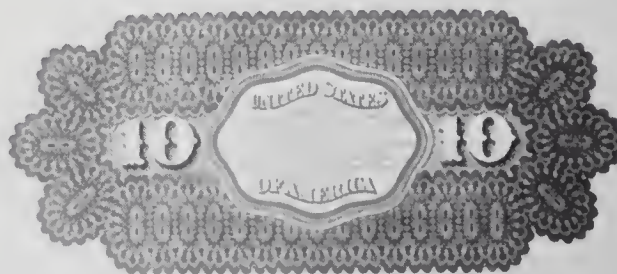

1412 \$5 similar to Fr-64. 1869. Proof on india paper only by ABN. Green. EF, edge folding at right. (Photo) (\$400-Up)

Differs from Fr-64 in that there are no "V"s in the corners and "UNITED STATES OF AMERICA" has been added around the center "5". There is green lining and a white "V" in each of the side medallions which are white in the issued note. The wide top edge is trimmed unevenly and the sides are cut close to the design. A few very light stains are barely visible.

1413 \$5 Fr-69 1878. Choice AU. (\$200-Up)
Crisp, bright and vivid with the barest hint of a centerfold, visible only under close examination.

First Obligation Proof Reverse

1414 \$10 Fr-93 1862. Proof back, India paper on card by ABN. Green. Unc. (Photo) (\$300-Up)

Wide, even borders all the way around. A few scattered areas of foxing are present.

Second Obligation Proof Reverse

- 1415 \$10 Fr-94 1863. Proof, by ABN on india paper. Mounted on blue paper. EF, glue stains where the note was mounted along both sides. (\$250-Up)

- 1416 \$10 Fr-99 1878 Unc. (Photo) (\$750-1250)
The bottom margin is narrow, the seal and denomination medallion are rather weak. There is a paper fold as made from the top center down to the Treasury seal. A tiny patch of pale blue ink near Allison's signature.

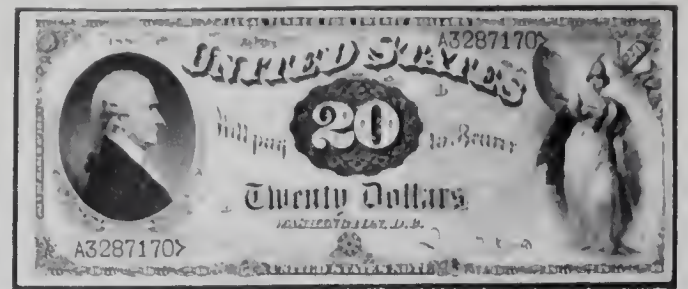

\$20 First Obligation Proof Back

- 1417 \$20 Fr-124 1862. Green Proof on india paper mounted on card by ABN. Unc. (Photo) (\$300-Up)
Some foxing, restricted mainly to the left and right sides of the card. The back itself is quite clean.

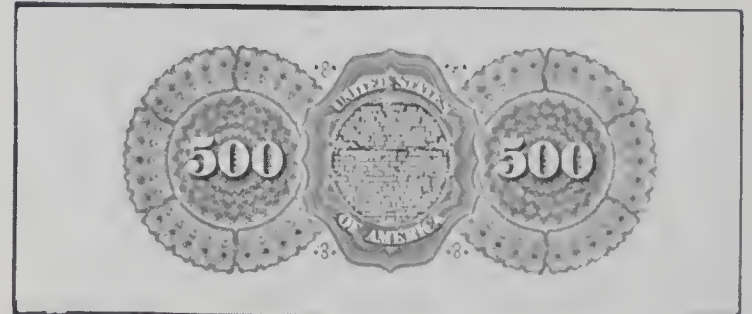

- 1418 \$20 Fr-126 1863. Two serial numbers. Unc. (Photo) (\$1200-Up)
No. 41630. NEW SERIES 23 Closely trimmed at the top, but not into the design. A remarkably fresh and vivid example of this type

- 1419 \$20 Fr-136 1880. (Photo) (\$250-400)
No. A3287170. A beautifully processed note that will easily fit into any collection of Unc. banknotes. A close examination reveals evidence of quarterfolds and a few other extra folds at left. Bright and pleasing. A two-letter grade would fail to do it justice, but technically VF-EF.

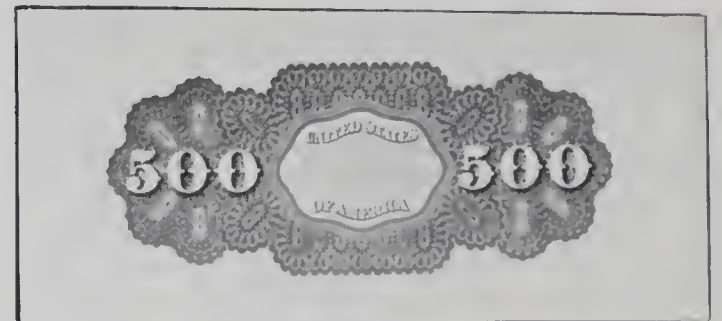

For a Proof Sheet Fr. 165 \$100 backs
see Lot 2024.

"March 10, 1862" Issue.
High Denomination First Obligation Bank Note

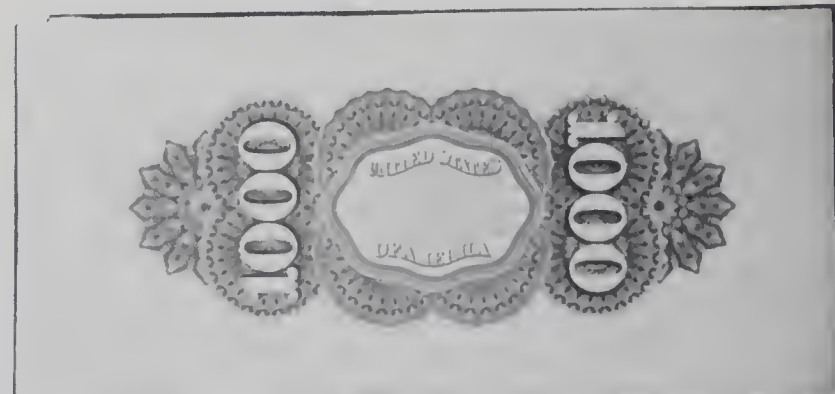

- 1419A \$500. Fr.-183a. Green Proof by ABN. India paper and card. EF, folded at left, edge foxing stains. (\$500-Up)
The first obligation character of this item can be determined by the funding in 6% year bond proviso.

"Act of March 3, 1863"
One of two known.

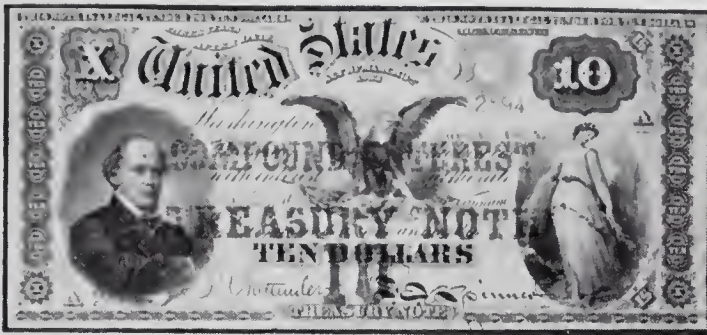

- 1419B \$500 Hessler 205/1342, back. Green Proof by ABN. India paper on card. Unc., foxing stains. (Photo) (\$500-Up)

- 1420 \$1000 Fr-186a 1862 Proof by ABN on india paper mounted on card. Unc. (Photo) (\$500-Up)
There is some minor soiling on the india paper part of this scarce and highly desirable reverse. The card itself is lightly foxed.

Act of March 3, 1863

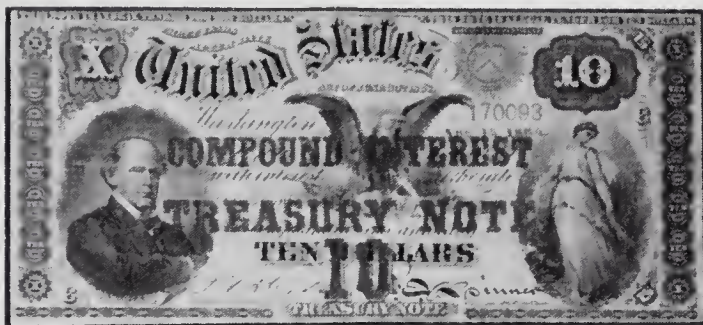

One of Eight Known

- 1421 \$10 Fr-190. June 10, 1864. Fine, soiled. (Photo) (\$750-1250)
No. 2594, Ex Stacks 1975, NASCA 7-4-80 Lot 1157, Fine at \$2,000. Possibly the highest grade example of this type known. Adequate margins, closest at the top. The bronze ink is cracking as usual. Though noticeably soiled, still an extremely attractive and most collectable Compound Interest Note.

Third Emission

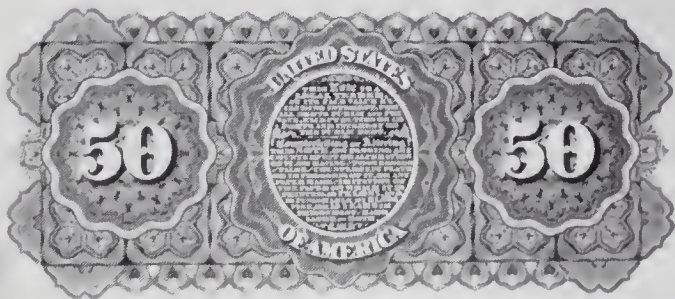

August 15, 1864

- 1422 \$10 Fr-190b. August 15, 1864. Very Good Plus. (Photo) (\$600-1000)
No. 170093. The top left border shaved, and there are surface fold splits. Ex NASCA 11-12-79 sale, lot 1731 where it brought \$625 plus 5%.

March 3, 1863 Act

1 Year Interest Note Back

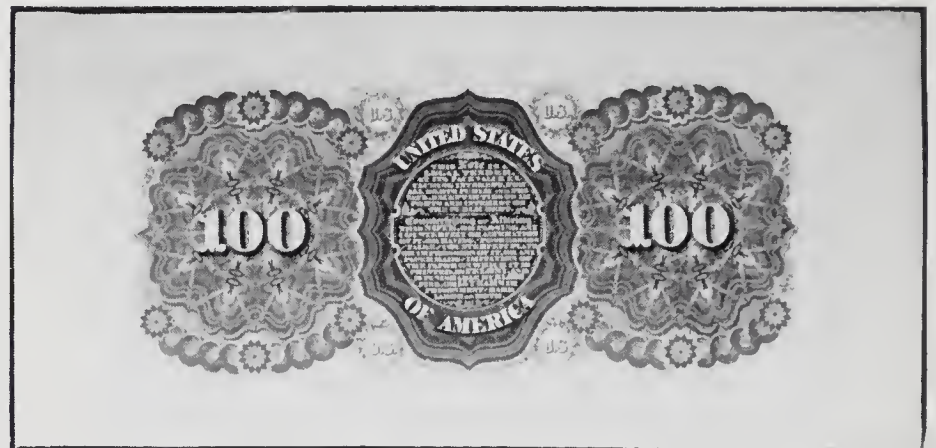

- 1423 \$50 Fr-198 1863. Green Proof back, india paper on card by ABN. Unc. (Photo) (\$500-Up)
Foxed at the sides with a heavy stain at lower left. Only three issued notes are reportedly known.

Essai of the March 3, 1863 \$50 Back

- 1424 \$50. Similar to Fr-178, but for the green border work around the number medallions. Green Proof by ABN on india paper mounted on blue paper. AU. (Photo) (\$400-Up)
Wrinkled at the left border where there are also glue stains.

March 3, 1863 1 Year 5% Issue

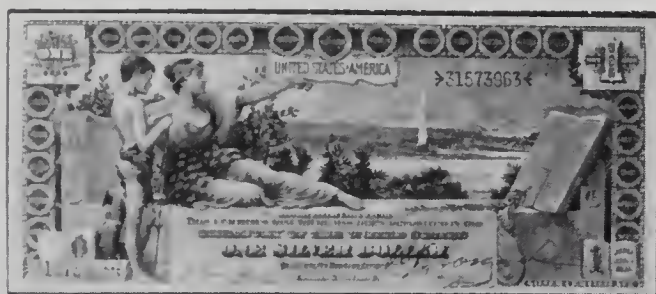

- 1425 \$100 Fr-199 1863. Green Proof back india paper on card by ABN. Unc. (Photo) (\$500-Up)
The card surrounds the india paper on all sides of this ornate reverse. Almost certainly excessively rare in light of the two known surviving notes. Some light soiling and scattered foxing.

United States Refunding Certificate

- 1426 \$10 Fr-214 1879. Very Good. (Photo) (\$200-300)
No. A118911. Splitting at the center fold at the top, and a fold junction hole at the center. There are a few scattered foxing spots. Of the 800 odd listed by the Treasury as outstanding, only 73 are known.
- 1427 \$1 Fr-215 1886. Black only Proof. Damaged, otherwise AU. (Photo) (\$400-Up)
No serial numbers or seals are present. A diagonal fold on the back and a long split to the right of center down to "demand". (The split is repaired with tape on the reverse.) Most of the note has aged to a very light tea color.

(Continued)

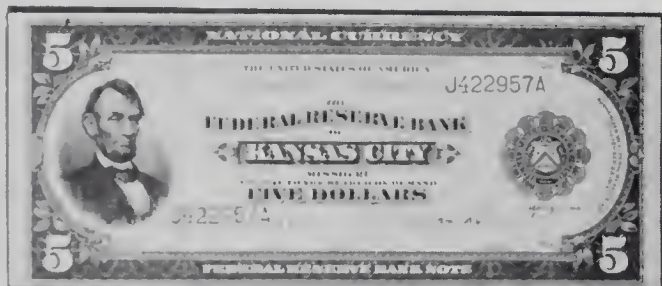

Error Note

1436 \$1 Fr-350 1891. VF-EF. (Photo) (\$500-1000)

B12067279C. Vertically folded, crisp, bright and vivid. Lightly damaged with a bald spot in the obligation medallion at the center of the back. The textured intaglio imprint of the Treasury seal is clearly visible, but the ink on the seal is totally absent.

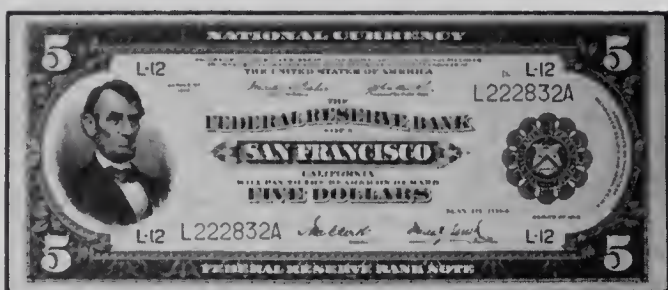

A Rare Friedberg 801a

1437 \$5 Fr-801a 1915. About EF. (Photo) (\$300-Up)

No. J422957A, with handstamped, not "handsigned" signatures as reported in Friedberg. The note has been vertically quarterfolded. The bottom margin is quite narrow on the front, though quite ample all around on the back. An excessively rare variety as can be gathered from its subletter listing in Friedberg and its absence from any previous sales.

Excessively Rare San Francisco Note

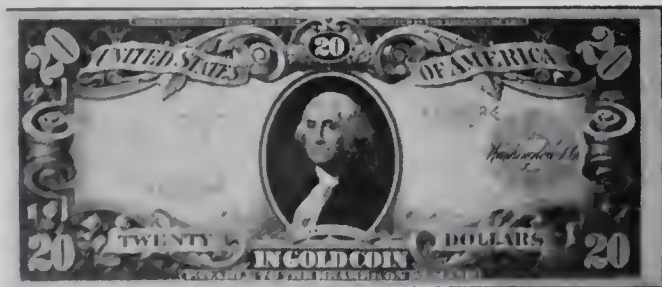

1438 \$5 Fr-809a May 18, 1914. Abt VF. (Photo) (\$500-Up)

No. 2222832A. Five heavy vertical folds and one horizontal fold. Other than the reported Grinnell Specimen, only two others, one in Fine, and this one, are known to us. Clearly rare as unlisted in the original Friedberg. Underpriced proportionately in KL.

1442 \$100 Fr-1212 1882. Fine. Mild soiling. (\$200-400)

No. M159260. The back a bit more soiled than the face. A well-centered example.

FOURTH ISSUE FRACTIONAL CURRENCY PROOF SHEET

- 1532 10¢. Fr-1257-61. Face design, no seal; india on card proof by ABN. AU, impaired. (Photo) (\$5000-Up)

Three of four corners are broken off; there is a tear into the 3rd note in the 1st column and also a tear in the 3rd note of the fourth column. The two center notes at the top rank also show splits and there are other signs of handling. Fourteen of 20 notes are Unc, the others are AU, or with splits.

Fourth issue proofs are practically unheard of; this item is clearly of museum quality and a high four or even a five figure price would not surprise us.

NATIONAL BANKNOTES

ALABAMA

- 1601 Ch-1814. FIRST NB OF MONTGOMERY \$20. Fr-645. 1902 DB. Fine +, trimmed border at right top. (\$60-100)
- 1602 Ch-4250. ANNISTON NB \$5. Fr-606. 1902 PB. Abt. EF, two light folds at left and the center. (\$130-200)
- Stamped signatures, the bottom border is shaved. No. 36155, one of the last sheets (35181) put out.
- 1603 Ch-5249. FIRST NB OF DOTHAN \$5. Fr-537. 1882 DB. Abt. Fine, soiled. (\$150-200)
- The bottom margin is tight, the top is superwide with the 1882-1908 date top right. The signature of Malone (Cashier) and Carmichael (Pres.) are stamped.
- 1604 Ch-5249. FIRST NB OF DOTHAN \$20. Fr-555. 1882 DB. G-VG, quite soiled. (\$140-225)
- Stamped signatures of Malone (C) and Carmichael (P), both quite fuzzy. The bottom margin is tight. Only \$8210 of large size bills were still out in 1935 of which this note's prorata share was \$380 or 19 pieces.

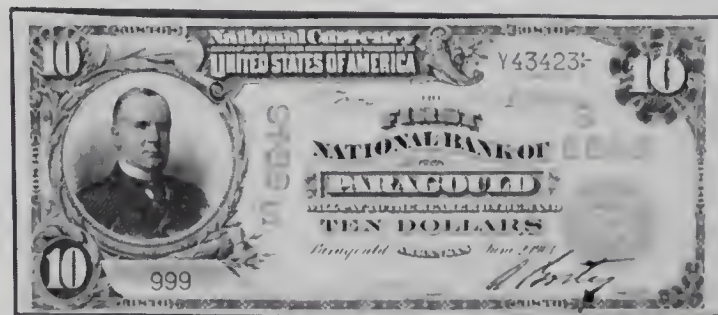

- 1605 Ch-5572. FIRST NB OF GREENVILLE \$20. Fr-581. 1882 VB. Fine-VF, deftly processed and looks far better than the grade warrants. (Photo) (\$1450-Up)
- The note has a shaved border (on both sides) at the bottom. With only \$4800 in large size outstanding in 1935, the prorata value of the unredeemed notes of this type outstanding would be \$60 or 3 pieces. Clearly a great rarity. Both signatures are stamped and faded.
- 1606 Ch-11635. NB OF OPELIKA \$10. FR-633. 1902 PB. Unc. (\$200-350)
- The note is tightly margined at the top and the stamped signatures of Stewart (C) and McCall (P) are a bit faint. There were only \$4480 in large notes outstanding in 1935 of which about \$1390 were of this type. Opelika in 1932 was a small town of only 5,000 people.

ARIZONA

- 1607 Ch-5720. TEMPE NB \$20. Fr-1802-1. 1929 TI. VG, stained left and right, rubbed edges and a short edge tear at the top. (\$150-300)
- B213A of 246 sheets and 1476 notes issued of which about 600 were outstanding in 1935.

ARKANSAS

- 1608 Ch-1950. FIRST NB OF FORT SMITH \$10. Fr-628. 1902 PB. VF-EF. (\$225-Up)
- A very pretty, clean, well margined note that could easily pass for AU (and has!) but which is quarter folded with corner and other folds all very deftly cleaned and pressed. The stamped signatures are bold, not faded.
- 1609 Ch-1950. FIRST NB OF FORT SMITH \$20. Fr-1802-1. 1929 TI. VF-EF. (\$60-Up)
- Quarterfolded lightly, processed, light soiling at right. Looks superficially like an Unc. or AU item with light aging.
- 1610 Ch-6680. SIMMONS NB OF PINE BLUFF \$10. Fr-616. 1902 DB. VG, rather soiled. (\$130-250)
- Of the \$5990 large size out in 1934, \$1830 were of this variety.
- 1611 Ch-6680. SIMMONS NB OF PINE BLUFF \$10. Fr-624. 1902 PB. F-VF. (\$130-250)
- Quarterfolded with other folds, lightly aged, the Nichols signature (C) is stamped; the Z. Orto (P) signature is written. Of the \$8990 out, about half were of this variety.

- 1612 Ch-6846. FIRST NB OF PARAGOULD \$10. Fr-613. 1902 RS. Fine, soiled, uneven margins. (Photo) (\$1300-Up)
- No. 999 of 1095 sheets issued. Of \$3440 outstanding in large sized notes of Charter 6846 and 13155, \$130 prorata was in this form. Both signatures are signed.

Please note that a 10% buyers charge will be added to each lot purchased on all purchases.

- 1613 **Ch-7138. STATE NB OF TEXARKANA \$10. Fr-624. 1902 PB. VF-EF. (\$275-Up)**

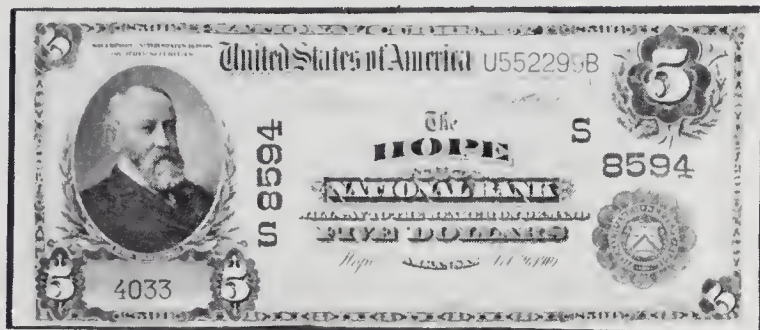

Trisected by folds with other hints of handling and with a shaved bottom border. However, crisp, bright and vivid, could easily pass as AU or even Unc. especially on the face. About half the \$1300 large size unredeemed notes were of this variety.

- 1614 **Ch-7240. MERCHANTS NB OF FORT SMITH \$20. Fr-650. PB. Fine+, stained, with faded signatures and a shaved left bottom border. (\$140-Up)**

- 1615 **Ch-7346. FIRST NB OF FAYETTEVILLE \$5. Fr-598. 1902 PB. F-VF. (\$90-150)**

The note is lightly stained, at the right and around the portrait at left with fuzzy stamped signatures.

- 1616 **Ch-7556. FIRST NB OF BATESVILLE \$20. Fr-650. 1902 PB. VG, faded signatures, soiling and surface fold splitting, with actually fold splits at the bottom. (\$40-70)**

- 1617 **Ch-8594. HOPE NB \$5. Fr-600. 1902 PB. Fine. (Photo) (\$360-600)**

The margins are uneven, close at the bottom with a faded out right signature. Liquidated in 1925 when over \$6500 of these notes were probably outstanding.

- 1618 **Ch-8786. ARKANSAS NB OF FAYETTEVILLE \$5. Fr-600. 1902 PB. VF. (\$200-350)**

Lightly quarterfolded, pressed with slightly faded signatures.

- 1619 **Ch-8786. ARKANSAS NB OF FAYETTEVILLE \$20. Fr-652. 1902 PB. Fine. (\$150-250)**

A deftly processed note with several pressed folds. The note however has a piece out of the lower left corner, the right edge, a body hole at the right side and petty splits and chinks in the bottom edge from apparent paper disintegration. There are also paper abrasions at the right over the seal.

- 1620 **Ch-10406. FIRST NB OF BERRYVILLE \$20. Fr-1802-1. 1929 T1. VG, well soiled. (\$50-75)**

- 1621 **Ch-10609. CITY NB OF FORT SMITH \$10. Fr-601. 1902 PB. VG+, soiled. (\$55-85)**

- 1640 Ch-450. FIRST NB OF KILLINGLY at WEST KILLINGLY. \$1. Fr-384. 1875. AU, with a very light center fold. (Photo)
(\$1000-1500)

Crisp, bright, vivid and decently margined for this usually botched issue, the cutters seemingly having been hired in most cases after flunking cutting and pasting in Kindergarten. No. 717 of \$3660 in large sized notes unredeemed in 1910 about \$90 of which was in this denomination and variety.

- 1641 Ch-657. THAMES NB OF NORWICH \$2. Fr-387. Original Series. Good, honest wear, decent margins. (Photo)

While 20,000 of these notes were emitted and nominally, prorata \$900 were outstanding in 1929, this is the only note known to us or our consignor outside the Mitchelson collection

DISTRICT OF COLUMBIA

- 1647 Green & black Proof back of U.S. \$10 National Original Series. India paper on card by CBN. AU, the cardboard folded at the top, no sign of a fold on the note itself. (Photo) (\$1,000-Up)

A similar item, ex Donlon sale in 1974 by ABN brought \$1625. This is similar to Hessler's progressive proof Fd 102 except the vignettes of the state/territory, Desoto, and the U.S. have been inserted. This item probably came from a specimen book put out by the Continental Banknote Co.

- 1648 **Ch-1069.** NATIONAL METROPOLITAN BANK OF WASHINGTON \$10. **Fr-625.** 1902 PB. **Fine+**, faded signatures, light staining. (\$40-75)

- 1649 **Ch-2038.** SECOND NB OF WASHINGTON \$10. **Fr-628.** 1902 PB. **VF-EF**, a trimmed top border at right. (\$150-250)

The signatures are a bit faint but this note could easily, without intensive examination pass for **Unc.** or certainly **AU**. A lovely, crisp, bright and vivid super slider.

- 1650 **Ch-2038.** SECOND NB OF WASHINGTON \$20. **Fr-1802-2.** 1929 T2. **VG**, feels better, but is soiled. (\$45-70)

A scarce note in type II.

- 1651 **Ch-3425.** NB OF WASHINGTON \$10. **Fr-625.** 1902 PB. **VF**. (\$90-150)

Tightly margined with four light vertical folds and a white scrape through the right signature. A crisp, bright and vivid note that looks **EF** or **AU**.

- 1652 **Ch-3425.** NB OF WASHINGTON \$20. **Fr-651.** 1902 PB. **Abt. VF**. (\$90-150)

Quarterfolded with other folds, crisp, vivid. **Rare** so choice.

- 1653 **Ch-5046.** RIGGS NB OF WASHINGTON \$10. **Fr-1801-1.** 1929 T1. **Unc**, teller handling traces at right. Scarce so choice. (\$55-100)

- 1654 **Ch-7446.** COMMERCIAL NB OF WASHINGTON \$10. **Fr-624.** 1902 PB. **VF-EF**. (\$100-175)

Quarterfolded, lightly, with other folds, all deftly processed and with a shaved right bottom border. A crisp and vivid note that looks **AU** and if one does not look on the back, even **Unc**.

- 1655 **Ch-10316.** FEDERAL NB OF WASHINGTON \$20. **Fr-655.** 1902 PB. **G-VG**. (\$60-100)

Quite soiled with the bottom border trimmed at the right, signatures faded. Somewhat scarce as of \$43,587 large size outstanding for Charters #10316 and 6716, only about \$860 **prorata** is applicable to this issue.

FLORIDA

- 1656 **Ch-5603.** AMERICAN NB OF PENSACOLA \$20. **Fr-659.** 1902 PB. **VG**, a trimmed bottom border, petty face bald spots. (★\$125)

\$34,170 left out in 1935 of which about \$3,420 was of this variety.

- 1657 **Ch-5603.** AMERICAN NB OF PENSACOLA \$10. **Fr-1801-1.** 1929 T1. **VF**. (\$45-80)

Quarterfolded. The left quarter particularly stained. Andrews-Malone signature combination.

- 1658 **Ch-5603.** AMERICAN NB OF PENSACOLA \$10. **Fr-1801-2.** 1929 T2. **EF**, centerfold and a half fold at the right of the vignette. (\$85-Up)

- 1659 **Ch-5603.** AMERICAN NB OF PENSACOLA \$20. **Fr-1802-2.** 1929 T2. **Gem Unc.**, wrinkling. (\$100-200)

Much rarer and may bring a higher price than indicated.

- 1660 **Ch-6888.** ATLANTIC NB OF JACKSONVILLE \$10. **Fr-180-1.** 1929 T1. **AU**, with the lightest of centerfolds. (\$45-85)

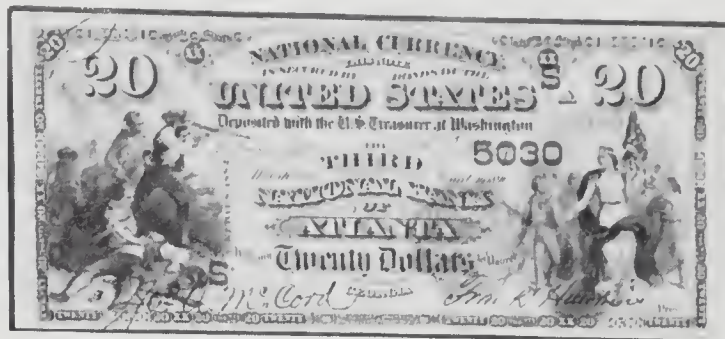

- 1661 **Ch-8321.** FLORIDA NB OF JACKSONVILLE \$10. **Fr-1801-1.** 1929 T1. **Gem Unc**. (\$75-125)

A common note in uncommon condition.

GEORGIA

- 1662 **Ch-4115.** DAWSON NB \$10. **Fr-626.** 1902 PB. **Good**. (★\$175)

Even wear, with a trimmed top border and faded signatures. \$14,590 was outstanding in 1931; \$21,120 of large existed for Ch-6496 and 4115 in 1935. Probably \$3900 of this last number was in these notes.

- 1663 **Ch-5030.** THIRD NB OF ATLANTA \$20. **Fr-501.** 1882 BB. **Abt. VF. (Photo)** (\$400-Up)

About six vertical and one horizontal fold. Lightly aged, decently margin-ed. Looks better than its grade would otherwise warrant, certainly on the face. Given the 16,346 issued and the normal withdrawal rate after closure the prorata \$21,620 share should have dropped off to about \$400 or 20 pieces, most of which were destroyed. We believe therefore that if the common \$10 brown back with three times the notes issued is worth \$350 in **VF**, the \$20 should be worth \$600.

- 1664 **Ch-5045.** FOURTH NB OF ATLANTA \$10. **Fr-487.** 1882 BB. **VG-F**. (\$150-250)

Soiled and aged to a light tan with decent margins. Of the \$164,172 large size out on charters 1559, 5045, 5318 and 9105, about \$2040 prorata was applicable to this note.

- 1665 **Ch-5045.** FOURTH NB OF ATLANTA \$10. **Fr-542.** 1882 DB. **F-VF**, serious staining along the right top border. (\$125-200)

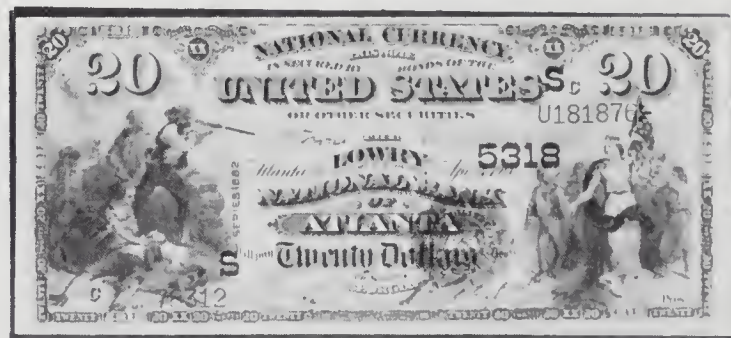

There is mottled staining, the margins are very uneven and the back is off side and trimmed at the top. About \$3,580 of the \$164,000 of large size reported unredeemed by Charters 1559, 8045 and 9105 apply to this note.

- 1666 **Ch-5045.** FOURTH NB OF ATLANTA \$10. **Fr-632.** 1902 PB. **VF-EF**. (\$100-180)

The note is crisp, bright, vivid and evenly if narrowly margined. There are traces of quarterfolding, with two horizontal folds. Unless closely examined it would easily pass for **AU** and once even passed for **Unc**. A very pretty slider.

- 1667 **Ch-5318.** LOWRY NB OF ATLANTA \$10. **Fr-545.** 1882 DB. **VF+**. (\$150-180)

Quarterfolded, with a trimmed bottom border and moderate paper discoloration at the bottom center. Liquidated in 1923 with lots of time for its circulation to be redeemed.

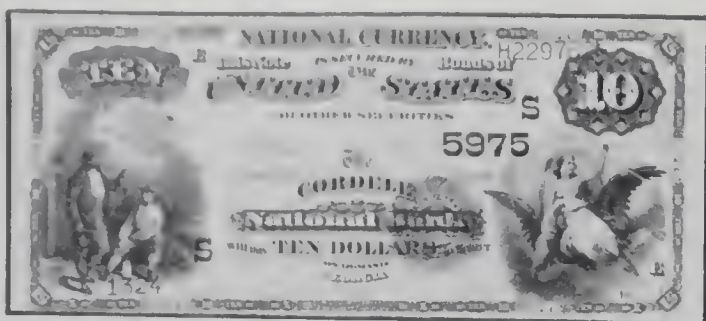

- 1668 **Ch-5318.** LOWRY NB OF ATLANTA \$20. **Fr-581.** 1882 VB. **VF-EF. (Photo)** (\$675-Up)

This note is quarterfolded, only moderately stained and nicely margined. The processing has been deftly handled and is reflected only in the slightly fuzzy stamped signatures. Of the \$164,172 large size outstanding in 1935 for Charters 1559, 5045, 5318 and 9105 only \$660 can be attributed prorata to this scarce type that was only put out in Georgia by seven banks.

- 1669 **Ch-5512.** ALBANY EXCHANGE NB \$20. **Fr-659.** 1902 PB. **VF+**. (\$200-300)

A note quarterfolded both ways, tightly margined at the bottom and with faded red stamped signatures. If the horizontal fold were not so heavy it would easily pass at **EF** or **AU**. \$7,470 worth of large size were out in 1935 of which about \$820 **prorata** applies to this type.

- 1670 **Ch-5975. CORDELE NB. \$10. Fr-545. 1882 DB. VF-EF. (Photo) (\$425-Up)**

A very pleasing note with a shaved bottom left border, faded signatures and hints of folds on the back. There is also a mild general discoloration. Liquidated in 1916 when \$50,000 was outstanding, allowing the usual average redemptions about \$1000 of this type would be outstanding today.

- 1671 **Ch-8470. FIRST NB OF LAVONIA \$10. Fr-629. 1902 PB. F-VF, soiled. (\$125-250)**

The note has quarter and other folds, soiling, mostly visible on the back even margins and faded, stamped purple signatures (Harrison and Addington). There were \$4,240 worth of unredeemed large size money out in 1935 of which about \$520 was in this form. The note has the unusual Napier-Thompson signature combination.

- 1672 **Ch-8470. FIRST NB OF LAVONIA \$20. Fr-1802-2. 1929 T2. F-VF, fold soiling. (\$150-Up)**

A135 of 440 notes issued, which are certainly underpriced vis-a-vis the T1 \$10.

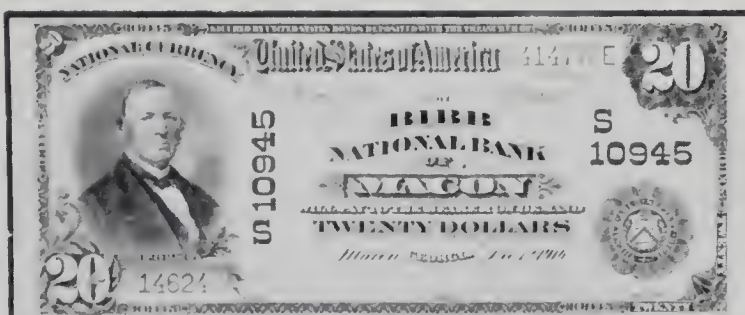

Scarce Signature Combination

- 1673 **Ch-9105. AMERICAN NB of ATLANTA. \$10. Fr-618. 1902 DB. VF. (\$75-125)**

Four or more folds, soiling, foxing spots on the left and top margins. The bottom border has been shaved. In 1935 \$164,172 in large size was outstanding in charters 1559, 5045, 5318 and 9105. This note represents, prorata, \$6690 of that sum.

- 1674 **Ch-9617. FULTON NB OF ATLANTA \$10. Fr-626. 1902 PB. Abt. VF. (\$50-85)**

Quarterfolded both ways with fuzzy signatures, a tight uneven top margin and a short tear in "C" of currency.

- 1675 **Ch-10945. BIBB NB OF MACON \$20. Fr-658. 1902 PB. VF. (Photo) (\$300-Up)**

Difficult to grade as there are traces of several folds the processing has been very deft, the only obvious giveaway being the discoloration and the faded signatures. Of the \$1165 outstanding jointly for Charters 10945 and 10270 in 1935 only \$100 prorata can be attributed to this piece.

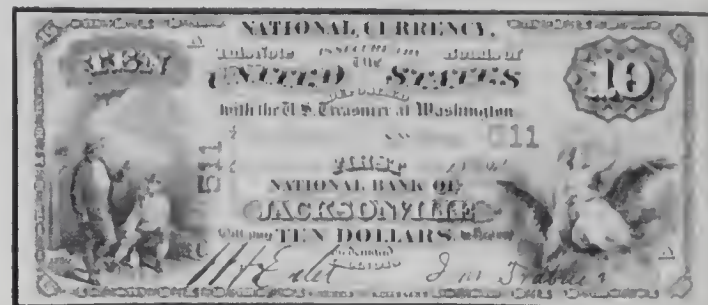

IDAHO

Fair and Rare

- 1676 **Ch-11496. FIRST NB OF PARMA \$5. Fr-606. 1902 PB. Fair. (\$75-150)**

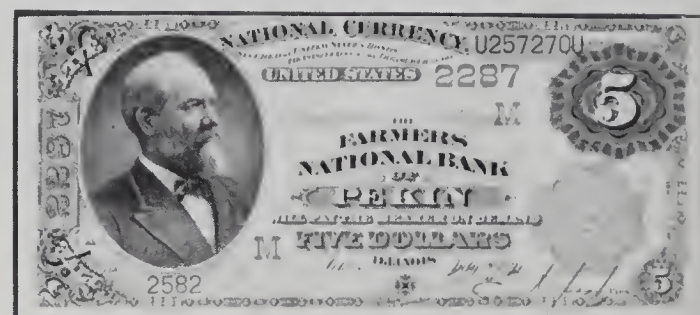

The right border is mostly gone and there are pieces gone from the bottom edge. The note is very stained, with petty top edge splits. All the \$1385 large size unredeemed in 1935 was of this variety. A filler at best, but clearly better than nothing.

ILLINOIS

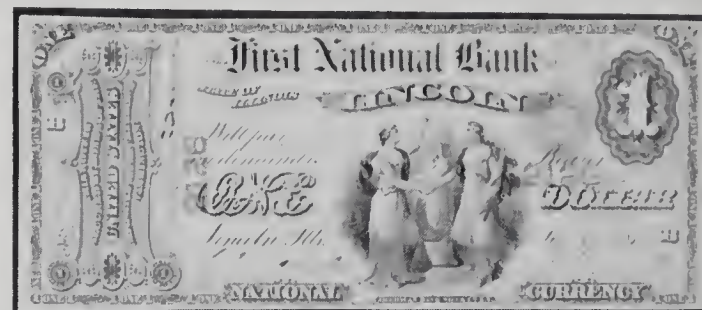

- 1677 **Ch-511. FIRST NB OF JACKSONVILLE \$10. Fr-416. 1875. VF+. (Photo) (\$700-Up)**

Quarterfolded, two folded corner tips and lightly margined. Unusually complete, clean and vivid for this issue. Of the \$6043 of large sized notes not redeemed by 1910, about \$650 could be prorated to this variety.

- 1678 **Ch-2287. FARMERS NB of PEKIN. \$5. Fr-474. 1882 BB. AU, a light centerfold. (Photo) (\$250-400)**

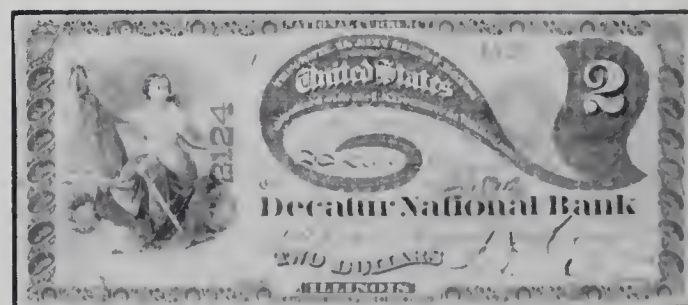

Crisp, bright, vivid. The top margin is quite tight. Of the \$10,480 in large size unredeemed in 1932, \$435 prorata was of this variety.

- 1679 **Ch-2126. FIRST NB of LINCOLN. \$1. Fr-382. Original Series. Unc. (Photo) (\$1,200-Up)**

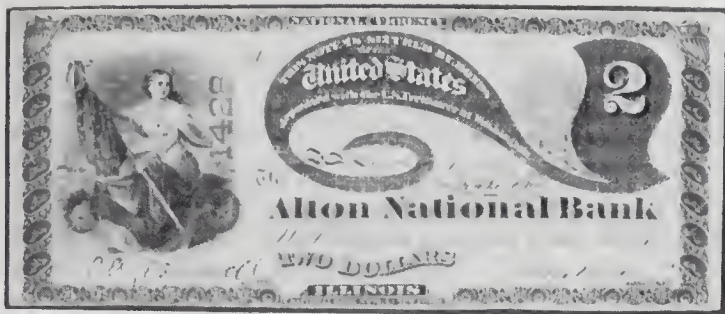

A lightly aged (tan) Uncirculated note with complete borders, very scarce for this type. Keeping in mind that charters 2126, 3613 and 3369 had an outstanding combined large size circulation of only \$9,550 and the prorata share of this type would be a mere \$8 or 8 pieces left outstanding!

Possibly Unique Piece

- 1680 **Ch-2124. DECATUR NB. \$2. Fr-589. Original Series. Good-VG. (Photo) (—)**

Soft and soiled but complete and no problems other than honest wear. This bank went into liquidation in 1893 and had only \$1545 in large size out in 1910 of which this denomination's prorata share was \$24 or only 12 pieces. Since most small denomination notes have a much higher mortality rate than higher denominations, we may safely assume that most were destroyed and that this rarity is worthy of a four figure bid.

- 1681 **Ch-1428.** ALTON NB. \$2. Fr-387. Original Series. VG-F. (Photo)

Soiled, a lightly shaved left bottom margin. Several heavy folds. Only \$5450 of large size out in 1929 of which, prorata, \$104 was in this form. Almost certainly should be priced higher in this grade than indicated.

- 1682 **Ch-713.** COMMERCIAL NB of CHICAGO. \$1. Fr-380. Original Series. Abt Good. (\$75-125)

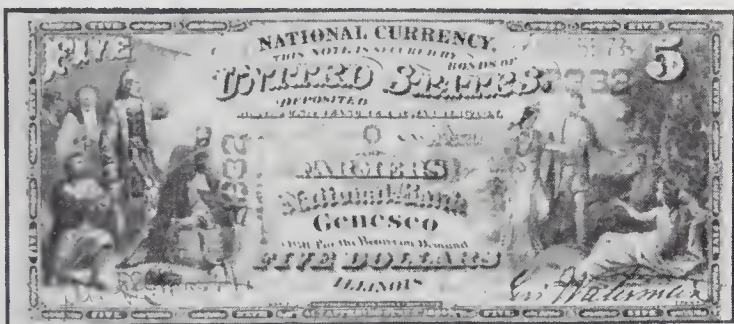

The note is well worn, peppered with pin and other body holes and has frayed edges with several splits including a larger one up from the bottom. Of the combined circulation of charter 713 and 2894 outstanding in 1935 (\$118,302 large size), \$600 prorata belongs to this item.

- 1683 **Ch-2313.** FIRST NB OF KIRKWOOD \$10. Fr-632. 1902 PB. Abt. VF, quarterfolded both ways. (\$120-180)

About \$1510 out of \$5770 large size outstanding are prorata of this variety.

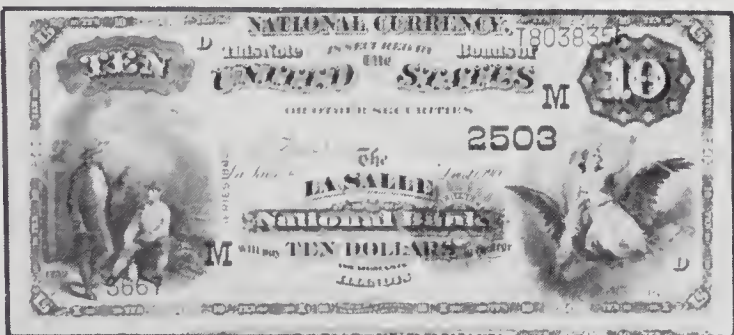

- 1684 **Ch-2330.** CENTENNIAL NB OF VIRGINIA \$10. Fr-632. 1902 PB. Abt. VF. (\$50-90)

About eight or so folds, crisp, clean and vivid, adequate margins and nice, autographed signatures. Of \$6,527 in large size unpaid at close (1931) about \$970 was of this variety.

- 1685 **Ch-2332.** FARMERS NB OF GENESEO \$5. Fr-401. 1875. VG, or so. (Photo) (—)

Good, even wear, the right bottom border is shaved. \$3,517 in large size unpaid in 1935 of which \$720 or 144 notes is this variety's prorata share. Therefore this item should be worth more than the guide prices.

- 1686 **Ch-2503.** LASALLE NB \$10. Fr-577. 1882 VB. Unc. (Photo) (\$1150-Up)

The note is wrinkled, the stamped red signatures have feathered. Off center towards the top, with the top trimmed while the bottom margin contains part of the adjacent \$10 note. \$5147 large size outstanding in 1935, of which \$230 prorata was in this variety.

- 1687 **Ch-2519.** RICKER NB OF QUINCY \$20. Fr-659. 1902 PB. VF, washed, pressed, ink stains in the top and left sides. (\$60-100)

Crisp, vivid, looks pristine from the front.

- 1688 **Ch-2670.** FIRST NB OF CHICAGO \$20. Fr-493. 1882 BB. VG, soiling, surface fold splitting on face. (\$55-95)

- 1689 **Ch-2997.** FIRST NB OF EL PASO \$5. Fr-598. 1902 PB. VG-Fine, soiled. (\$80-140)

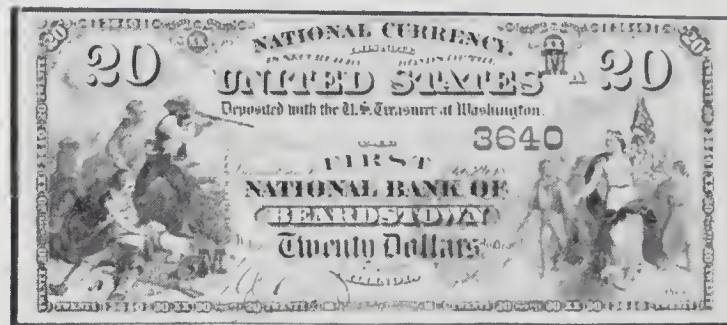

\$6802 in large size left unpaid in 1931 of which prorata \$2425 was in this variety.

- 1690 **Ch-3102.** CALUMET NB OF CHICAGO \$10. Fr-621. 1902 PB. G-VG, soiled, unevenly margined, the left bottom border is shaved. (\$60-100)

- 1691 **Ch-3296.** COMMERCIAL NB OF PEORIA \$50. Fr-682. 1902 PB. Abt. VG, rubbed edges, surface fold splitting. (\$75-125)

- 1692 **Ch-3548.** ILLINOIS NB OF SPRINGFIELD \$20. Fr-1802-1. 1929 T1. Unc, narrowly margined at the top. (\$50-100)

Census Condition Bill

- 1693 **Ch-3640.** FIRST NB OF BEARDSTOWN \$20. Fr-499. 1882 BB. Choice Unc. (Photo) (—)

A crisp, bright and vivid note narrowly margined at the top and off center on the back to the point where part of the border line is shaved. \$6660 in large size unpaid in 1935 of which \$620 prorata was in this variety. This note is clearly underpriced at \$560 in AU and a four figure price may be safely expected.

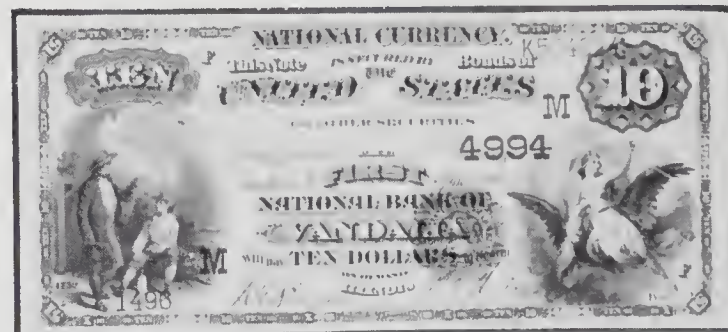

- 1694 **Ch-3962.** FIRST NB OF LITCHFIELD \$10. Fr-483. 1882 BB. VF+. (\$180-300)

Light quarterfolded both ways, beautifully margined and could easily pass for Unc. on the face. Crisp, bright, vivid. \$5240 was outstanding in large size in 1935 of which \$890 prorata was of this variety.

- 1695 **Ch-4605.** NB OF THE REPUBLIC OF CHICAGO \$20. Fr-499. 1882 BB. Fine+. (\$90-150)

A clean and pleasing note, decently margined with about 15 or so moderate or light folds, nice bold signatures and no problems. Would easily pass for VF on the face. No. 8137 of 39,334 issued and with about 300 pieces outstanding in 1931.

- 1696 **Ch-4605.** NB OF THE REPUBLIC OF CHICAGO \$5. Fr-1800-1. 1929 T1. Unc, teller wrinkling at right. (\$40-75)

- 1697 **Ch-4994.** FIRST NB OF VANDALIA \$10. Fr-542. 1882 DB. AU, with a light centerfold. (Photo) (—)

Nicely margined with some minor wrinkling. \$3310 in large size outstanding in 1935 of which the prorata share of this item is \$380.

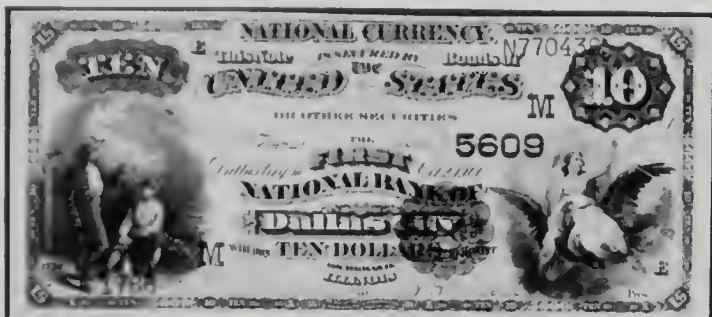

- 1698 **Ch-5089.** MILLIKIN NB OF DECATUR \$5. Fr-606. 1902 PB. VF-EF. (\$100-200)

Very lightly quarterfolded with the top border shaved and some discoloration in the right margin. Could easily pass for Unc. on the face and is a tough note so nice.

- 1699 **Ch-5106.** CORN EXCHANGE NB OF CHICAGO \$10. Fr-544. 1882 DB. F-VF. (\$100-170)

- 1700 **Ch-5385.** FIRST NB OF LAWRENCEVILLE \$10. Fr-633. 1902 PB. Abt. VF. (\$100-170)

Quarterfolded lightly both ways, a shaved top border and some deft processing making it appear far better than its grade warrants. \$4240 in large size remained unpaid in 1932, the prorata quota, of which, for this variety is about \$1410.

- 1701 **Ch-5609.** FIRST NB OF DALLAS CITY \$10. Fr-545. 1882 DB. VF-EF. (Photo) (—)

Quarterfolded vertically with nice margins and an appearance of EF or AU character, with just a hint of aging in the side margins. \$5170 large size unredeemed in 1933 of which \$400 is this variety's quota. We believe the \$200 value in VF in H-O is low.

- 1702 **Ch-6007.** FIRST NB OF SECOR \$10. Fr-490. 1882 BB. Very Good, soiled. (\$250-350)

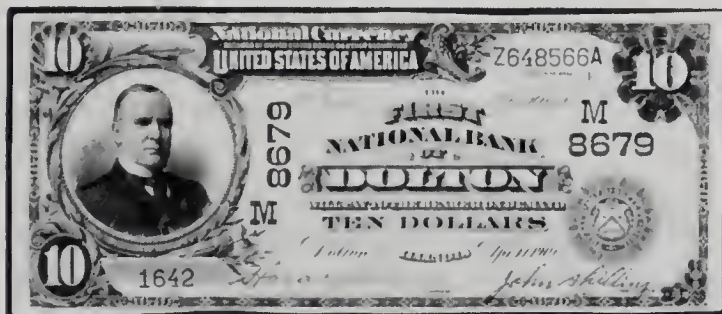

Fully margined and lightly soiled. \$3460 of large size unpaid in 1933 of which this variety's quota is \$520.

- 1703 **Ch-8163.** FARMERS AND MERCHANTS NB OF MORRIS \$10. Fr-625. 1902 PB. F-VF. (\$60-100)

About 9 vertical and one horizontal fold, made to practically disappear except on the back. The face is clean, bright, the top margin tight. It could easily pass for EF up to Unc.

- 1704 **Ch-8637.** FIRST NB of ROODHOUSE. \$10. Fr-626. 1902 PB. VG, soiled, roughly cut margins. (\$75-125)

\$4690 in large size outstanding, of which \$1840 prorata is of this type.

- 1705 **Ch-8679.** FIRST NB of DOLTON. \$10. Fr-618. 1902 DB. Fine-VF. (Photo)

Quarterfolded both ways, light discoloration, reasonable margins with the look of VF or EF. \$1710 large size unredeemed in 1935 of which \$730 pertained to this variety. Much rarer in high grade than indicated.

- 1706 **Ch-8940.** TAYLORVILLE NB. \$20. Fr-652. 1902 PB. VG-Fine. (Photo) (\$50-90)

Heavily quarter folded, aging, with a faded cashier signature and a "Vice" President stamp.

- 1707 **Ch-9397.** FIRST NB of BRIGHTON. \$10. Fr-626. 1902 PB. VF. (—)

Four or so folds, crisp, bright, vivid. Uneven narrow margins. This note looks Unc or AU from the face. \$1850 large size out in 1935 of which \$420 pertains to this item. Will clearly bring a higher price than the grade would indicate.

- 1708 **Ch-10911.** FIRST NB of AVA. \$50. Fr-1803-1. 1929. T1. VF-EF, lightly quarterfolded. (\$100-150)

A truly extraordinary opportunity for the advanced collector of Nationals.

Extraordinary Original Series Proof Sheet

- 1749A Ch-14. FIRST NB of SPRINGFIELD. \$10. A-D Fr-409. Original Series Proof Sheet by ABN. VF. (Photo) (\$2,500-Up)

An uncut black and white Proof sheet on india paper mounted on a larger card, with selvage at the left and bottom. The sheet was quarterfolded, the first and third notes being AU, and the 2nd and 4th Unc. There is scattered light aging and foxing. Hessler reports only one sheet of \$10 Nationals (1875) which was sent to the Chinese Government. This is definitely not the same sheet. A great rarity and worthy of a substantial four-figure bid.

- 1750 Ch-256. FIRST NB OF FALL RIVER \$2. Fr-387. Original Series. Fair-Good. (★\$250)

Well worn with edge nicks and some very possible restoration work in the left side. Only \$21,397 large size outstanding in 1910 of which \$305 was probably of this variety.

- 1751 Ch-643. ATLANTIC NB OF BOSTON \$10. Fr-480. 1880 BB. VG-Fine. (\$75-125)

There were \$81,255 of large sized notes left over from charters 643, 2277 and 3923 of which this type's share, prorata would be \$2,060 or 206 pieces.

- 1752 Ch-704. NB OF SALEM \$5. Fr-590. 1902 DB. VG, soiled. (\$150-300)

Only 6,552 notes issued of which about 310 were outstanding in 1910.

- 1753 Ch-866. MILFORD NB \$1. Fr-380. Original Series. Good. (\$150-225)

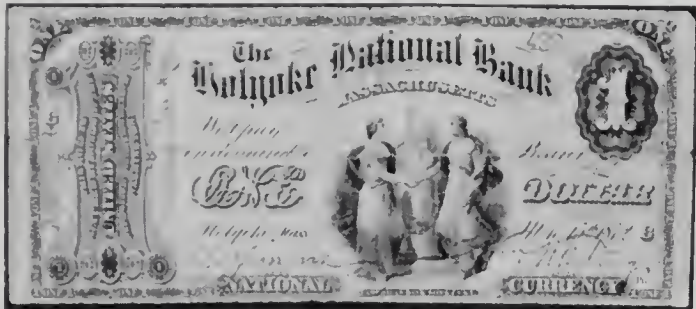

\$12,610 in large size was unpaid in 1935 of which about \$400 was in this form, with probably few survivors because of the heavily circulated denomination.

This note has several pinholes in addition to the edge and surface wear typical of the grade.

- 1754 **Ch-1014. BAY STATE NB OF LAWRENCE \$5. Fr-401. 1875. VG+.** (\$90-150)

Even wear with the top border trimmed at the center, washed with red ink bleed through from the seal and numbers. Would easily pass for better among the less observant. \$34,310 of large size notes unredeemed in 1935 of which an estimated \$1555 was of this issue.

Error Note

- 1755 **Ch-1939. HOLYOKE NB. \$1. Fr-385. 1875. Good. (Photo)**

No. 4827 with series date and red Treasury seal missing. No sign of faded remnants, bleaching or surface abrasion to explain their absence. The red note numbers are all intact. Heavily worn, petty body holes and edge splits. \$9555 in large size notes unredeemed of which, prorata, about \$200 was of this type. A scarce item irrespective of the seal and series error.

- 1756 **Ch-2433. CITY NB OF SPRINGFIELD \$5. Fr-404. 1875. G-VG, petty edge splits.** (\$150-250)

\$15,524 large size notes unpaid in 1910, of which \$1,795 prorata was in this type.

- 1757 **Ch-2433. CITY NB OF SPRINGFIELD \$5. Fr-404. 1875. Good.** (\$150-275)

- 1758 **Ch-5155. NATIONAL SHAWMUT BANK OF BOSTON. \$10. Fr-545. 1882 DB. Fine.** (\$125-175)

\$5,380 in large size notes unredeemed in 1935, with an estimated \$2180 in this form. Apparently listed as "about Unc" in 1326 of the B&M Connecticut Historical Society Sale of April 8 & 9, 1983.

- 1760 **Ch-9000. FIRST NB OF ALGER COUNTY AT MUNISING \$5. Fr-600. PB. Good+.** (★\$100)

Soft, with a shaved bottom border and faded signatures. \$3,640 outstanding in large size of which about \$1,530 was of this variety.

MINNESOTA

Third Title

- 1761 **Ch-710. FIRST NB IN MINNEAPOLIS \$20. Fr-650. 1902 PB. VF, quarterfolded both ways.** (\$40-75)

There is a stamped signature offset on the lower left of the back, the margins are adequate and the note looks Unc or AU until closely examined on the back.

- 1762 **Ch-1863. CITIZENS' NB OF FARIBAULT \$20. Fr-646. 1902 DB. F-VF.** (\$90-150)

The bottom border is shaved, the note has been quarterfolded both ways with additional folds but looks better due to processing. The back is off center tilting down and right, the signatures are written. \$5,494 large size out in 1934 of which about \$300 or 15 pieces is this item's prorata share.

- 1763 **Ch-2006. NORTH WESTERN NB OF MINNEAPOLIS \$20. Fr-499. 1882 BB. Abt.VG, very soiled, several pinholes.** (★\$125)

\$37,445 were outstanding of which an estimated \$580 was of this variety.

- 1764 **Ch-2006. NORTH WESTERN NB OF MINNEAPOLIS \$5. Fr-594. 1902 DB. Unc.** (\$200-300)

A tough note so choice. The bottom border is shaved and the stamped signatures fuzzy.

- 1765 **Ch-2006. NORTH WESTERN NB OF MINNEAPOLIS \$10. Fr-620. 1902 DB. VF-EF.** (\$45-80)

Quarterfolded, crisp, bright, vivid, well margined, looks superficially much better than its grade indicates.

- 1766 **Ch-2020. MERCHANTS NB OF ST. PAUL. \$20. Fr-646. 1902 DB. VG-Fine, soiled, closely margined at the bottom.** (\$40-70)

- 1767 **Ch-2088. UNION NB OF ROCHESTER \$10. Fr-629. 1902 PB. Abt. VF.** (\$50-100)

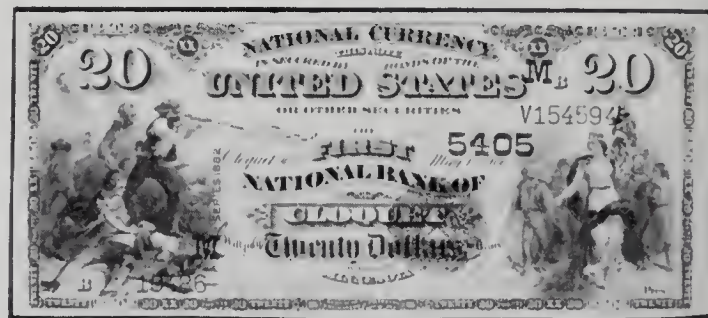

Quarterfolded both ways, with other folds, a tight top margin, an ink notation partially erased on the back and processing signs. A better note because of the Napier-Thompson signature combination.

- 1768 **Ch-3426. FIRST NB OF DETROIT \$10. Fr-625. 1902 PB. VG/Fine.** (\$100-160)

Soiled, faded out signatures on the face; much cleaner on the back. The margins are uneven. Worth more.

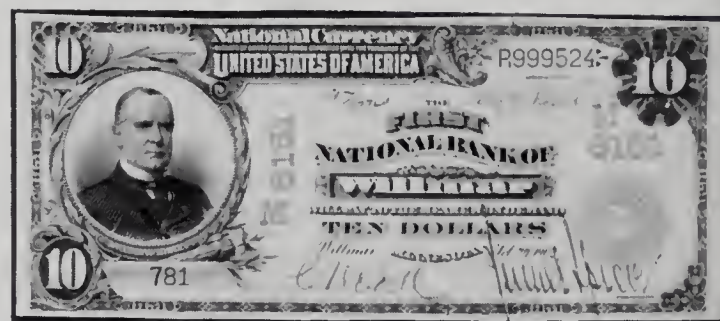

- 1769 **Ch-4034. FIRST NB OF LITTLE FALLS \$20. Fr-652. 1902 PB. VG.** (★\$150)

Only \$10,000 of large size is outstanding of which \$2700 are of this variety.

- 1770 **Ch-5405. FIRST NB OF CLOQUET \$20. Fr-581. 1882 VB. VF-EF. (Photo)** (\$600-1000)

Quarterfolded, nicely margined, good signatures and looks far better than its actual wear warrants, especially on the face. Only \$7,040 in large size was out in 1935 of which \$360 or 18 pieces were the prorata share of this variety.

- 1771 **Ch-6151. FIRST NB OF WILLMAR \$10. Fr-613. 1902 RS. VF-EF. (Photo)** (\$600-850)

Only the most discerning or suspicious will detect the three superbly processed folds. The note is crisp, bright, vivid and decently if unevenly margined. The vanity signatures are A1. It will almost certainly sell for an AU price, the actual grade being mentioned merely as a matter of record.

- 1772 **Ch-6401. FIRST NB OF TWIN VALLEY \$10. Fr-616. 1902 DB. Good, very soiled, especially on the face.** (\$75-150)

\$1,610 large size outstanding in 1934 of which \$370 prorata was of this variety.

- 1775 **Ch-9327.** NORTHERN NB OF DULUTH \$100. **Fr-1804-1.** 1929 T1. **VG**, two paper clip stains, a fold split at top to the right of the portrait. (\$110-140)

3rd Title

- 1776 **Ch-9409.** MIDLAND NB and TRUST CO. of MINNEAPOLIS. \$20. **Fr-658.** 1902 PB. **VG**, mildly soiled. (\$45-80)

Sequence Charter Number

- 1777 **Ch-9596.** FIRST NB OF STARBUCK \$5. **Fr-601.** 1902 PB. **VF-EF.** (\$50-90)

Superficially appears **Unc**, particularly on the face, but is in point of fact quarterfolded both ways with three vertical and one horizontal fold all deftly made to disappear. \$4,760 large size were out in 1934 of which about \$1,150 prorata pertains to this item.

- 1778 **Ch-9596.** FIRST NB OF STARBUCK \$10. **Fr-619.** 1902 DB. **EF.** (—)

Quarterfolded but apparently **Unc** until closely examined. Crisp, bright, vivid, well margined. Both signatures are autographs. \$4,760 large size left out in 1934 of which this variety's prorata share is \$780. Clearly a 3 figure item.

- 1779 **Ch-9596.** FIRST NB OF STARBUCK \$20. **Fr-653.** 1902 PB. **VF-EF.** (—)

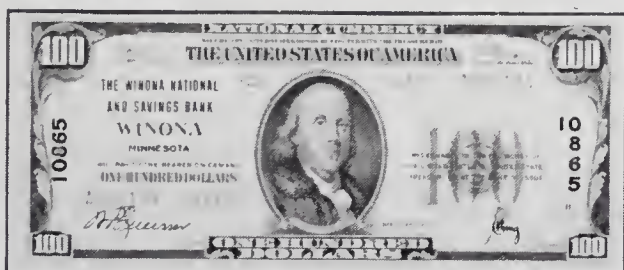

Superficially **AU** or **Unc**, processed, actually quarterfolded both ways, crisp, bright, vivid with clear stamped signature. The margins being uneven and narrow at the bottom. \$4,760 in large size out in 1934 of which \$660 (33 pieces) prorata relate to this item. There is no surcharge as on the last items. A clear three figure item!

- 1780 **Ch-10580.** NB OF DODGE COUNTY AT KASSON \$10. **Fr-631.** 1902 PB. **Good**, very soiled, the top border is heavily trimmed, and there is a center split hole. (\$50-90)

\$2,195 large size out in 1934 of which this item's prorata share is \$640.

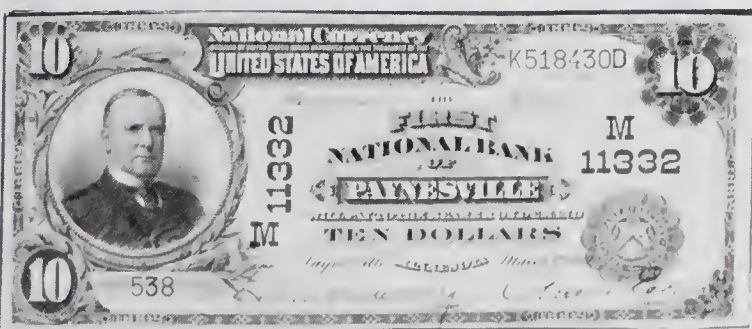

- 1781 **Ch-10665.** ADA NB \$10. **Fr-631.** 1902 PB. **Good**, splits, petty edge tears, two small border holes at top. (\$90-150)

Soiled with a body hole to the right of center. \$1,420 large size outstanding of which \$1,070 or 107 pieces can be assigned to this type.

- 1782 **Ch-10865.** WINONA NATIONAL AND SAVINGS BANK \$100. **Fr-1805-2.** 1929 T2. **VF-EF**, lightly quarter folded. (Photo) (★\$475)

Only 144 \$100's were emitted with probably a third of those returned by 1935.

- 1783 **Ch-11332.** FIRST NB OF PAYNESVILLE \$10. **Fr-632.** 1902 PB. **Choice Unc.** (Photo) (\$250-400)

Too narrowly and unevenly margined at the top and bottom to be gem. Crisp, bright, vivid, autographed signatures. \$2,150 large size out in 1931 of which, prorata \$1,290 was of this denomination.

- 1784 **Ch-11332.** FIRST NB OF PAYNESVILLE \$20. **Fr-658.** 1902 PB. **VF-EF.** (\$150-250)

Quarterfolded both ways but deftly processed to be apparently **Unc** or **AU** on the face. The bottom margin is narrow. \$2,150 outstanding of which \$860 was in this form.

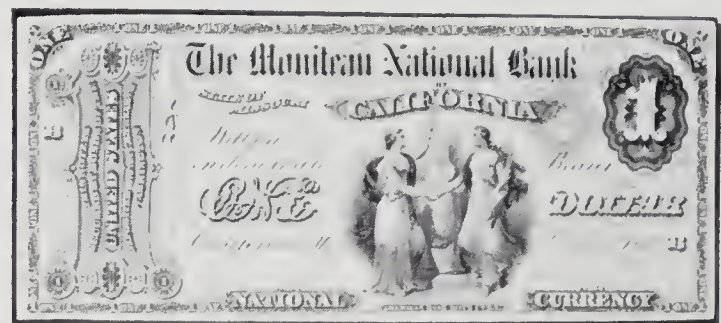

- 1785 **Ch-11810.** MINNESOTA NB OF DULUTH \$10. **Fr-633.** 1902 PB. **F-VF.** (\$60-110)

Superficially **EF**, but with about 11 folds (one horizontal) neatly processed. The bottom border is trimmed. Of the \$8,775 large size outstanding \$5,830 was of this denomination. This is a different subvariety from the preceding in as much as there is no "M" in blue with the charter #.

- 1786 **Ch-12140.** DULUTH NB \$20. **Fr-661.** 1902 PB. **Fine.** (\$60-100)

Somewhat washed out in appearance, with faded stamped signatures. \$4,080 large size out in 1934 of which, prorata \$2,300 applies to this denomination.

MISSOURI

- 1787 **Ch-1712.** MONITEAU NB OF CALIFORNIA \$1. **Fr-382.** Original Series. **Unc.** (\$800-1300)

The top right corner tip is rubbed, otherwise a crisp, bright, vivid and nicely margined representative of the type. Out of the \$3,620 large reportedly unpaid in 1935, \$43 applies prorata to this note.

Fair and Very Rare

- 1788 **Ch-1856.** FIRST NB OF WARRENSBURG \$1. **Fr-382.** Original Series. **Fair.** (\$200-Up)

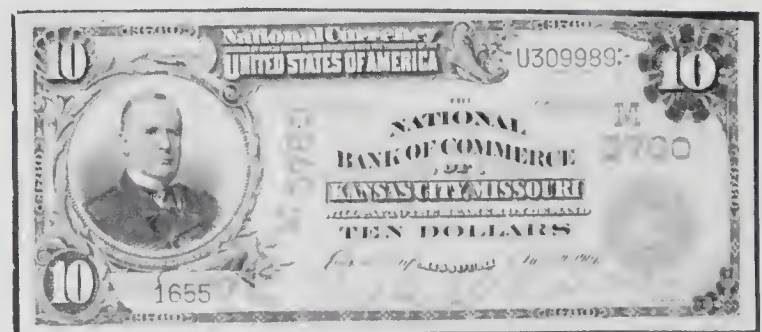

Split in half down the center, rejoined, heavily worn, frayed edges, a hole in the left edge. No. 1950 of 2200 sheets and 6600 notes emitted. As only \$753 of large sized notes were not redeemed by 1915 about \$140 were in this form, most assuredly destroyed as was common of small notes in that period. A very tough item - at least its a filler.

- 1789 **Ch-1971.** CITIZENS NB OF SEDALIA \$10. **Fr-628.** 1902 PB. **F-VF.** (\$50-85)

There are about 9 or 10 folds, the bottom border is shaved, but which looks better than its grade suggests.

- 1790 **Ch-3005.** FIRST NB OF CARTHAGE \$5. **Fr-598.** 1902 PB. **Abt. EF.** (\$115-180)

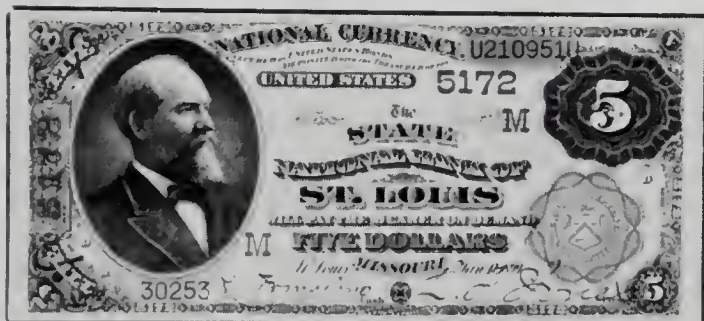

Very deftly processed, two folds detectable, a third probably there. The bottom border is shaved at the right. Could easily pass for **AU**.

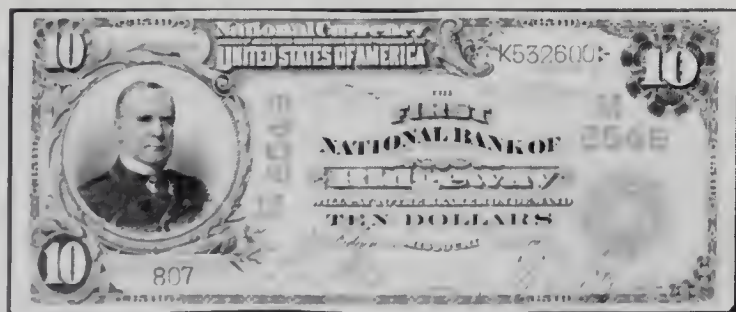

- 1791 **Ch-3760.** NB OF COMMERCE OF KANSAS CITY MISSOURI \$10. **Fr-615.** 1902 RS. **AU.** (Photo) (\$600-900)

A note with the barest trace of quarterfolding and the appearance of **Unc**, after deft processing. The top right border is cut into, the margin being very uneven. The left stamped signature has lost a letter between "W" and "R". Given the tiny number issued (3000) and their value (\$30,000) and the average 1-2% survival rate about \$600 or 60 pieces at most have survived.

- 1792 **Ch-4178.** NB OF COMMERCE IN ST. LOUIS \$20. Fr-498. 1882 BB. VG-Fine, light aging. (\$75-125)
- 1793 **Ch-4178.** NB OF COMMERCE IN ST. LOUIS \$10. Fr-539. 1882 DB. F-VF, reasonably clean, decent margins. (\$75-125)
- 1794 **Ch-4373.** FIRST NB & TRUST CO. OF KING CITY \$20. Fr-653. 1902 PB. AU, the faintest of center folds. (\$200-300)
There are nice autograph signatures, uneven margins and stains in the lower left corner. There are various wrinkles etc. suggestive of handling.
- 1795 **Ch-4939.** FIRST NB OF ST. JOSEPH \$10. Fr-631. 1902 PB. Fine, wrinkled, soiled, a paper clip stain on the back. (\$35-60)
- 1796 **Ch-5002.** MERCHANTS-LACLEDE NB OF ST. LOUIS \$10. Fr-487. 1882 BB. VF. (\$150-260)
Four vertical folds and one horizontal one, clean, nicely margined. No. 26151C.

Clean, bright, soft and clearly processed. There are autograph signatures.

Quarterfolded both ways, soiling on folds, processed. The note is bright, the autograph signatures fine and the margins adequate but rollercoaster cut. There is a tiny nip out of the lower right corner tip.
- 1803 **Ch-7715.** MECHANICS-AMERICAN NB OF ST. LOUIS \$10. 1902 RS. Fine. (\$180-300)
A reasonably clean, decently margined note "improved" so that now it is soft. The seal is bright, the autograph signatures bold.

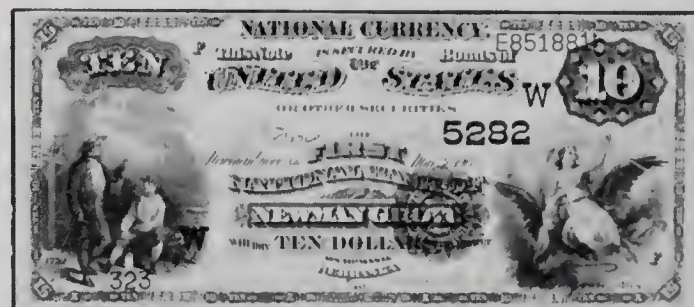

- 1804 **Ch-8455.** CENTRAL NB of ST LOUIS. \$10. Fr-615. 1902 RS. About VF. (\$200-350)
Quarterfolded both ways with other folds. Processed so that a red ink stain on the back has faded there but bled through to the lower right corner tip. The seal and signatures are bright, the margins decent. On the face it could easily pass for EF+.
- 1805 **Ch-9297.** MERCANTILE NB of ST LOUIS. \$5 Fr-592. 1902 DB. Fine-VF. (\$75-125)
About seven or so folds, good margins, clean and exceptional autograph signatures. The right one is a really fancy vanity item.
- 1806 **Ch-9382.** THORTON NB of NEVADA. \$5. Fr-600. 1902 PB. VG, lightly soiled. (★\$125)
\$6790 outstanding in 1935 of which \$2300 or so was in this form.
- 1807 **Ch-12389.** TELEGRAPHERS NB of ST LOUIS. \$10. Fr-1801-1. 1929 T1. Choice Unc. (\$100-Up)
A lovely note No. E005117A. Clean and nicely margined, Notes of this grade and bank are probably underpriced in H-O.
- 1808 **Ch-12491.** TWELFTH STREET NB of ST LOUIS. \$5. Fr-609. 1902 PB. Good, stained, even wear. (\$60-110)

Heavily and evenly circulated, soft, pinholed with a body split hole. Only 540 issued of which about 27 were unpaid in 1933.

- 1811 **Ch-5282.** FIRST NB OF NEWMAN GROVE \$10. Fr-545. 1882 DB. VG-Fine. (Photo) (★\$650)

Soiled, surface splitting in spots, a pinhole at the bottom. \$3,050 large size unredeemed in 1931 of which perhaps \$490 was in this variety.

NEW HAMPSHIRE

- 1815 **Ch-596. CLAREMONT NB \$5. Fr-598. 1902 PB. Very Good.** (★\$180)

Stained, creased, with faded signatures. Only \$6,560 large size out in 1935, of which this variety probably represents \$1,500.

- 1816 **Ch-4523. BERLIN NB \$5. Fr-1800-1. 1929 T1. Unc.** (★\$135)

NEW JERSEY

- 1817 **Ch-860. FIRST NB of WASHINGTON. \$20. Fr-1802-2. 1929 T2. VF, quarterfolded, soiled.** (\$50-100)

Only 1030 issued and underpriced in H-O.

- 1818 **Ch-892. HUNTERDON COUNTY NB. \$1. Fr-380. Original Series. Abt VG.** (\$150-300)

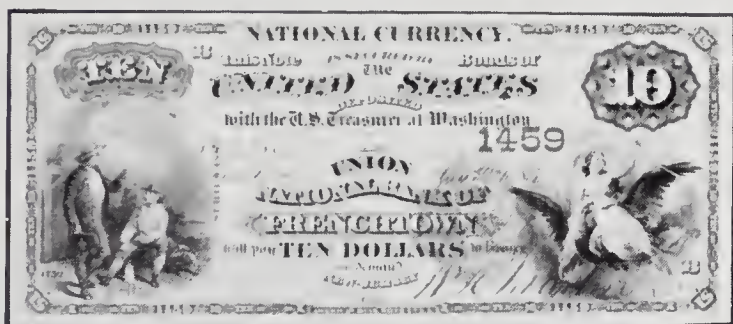

Soiled, closely margined, a top edge split and four pinholes. \$8150 large size outstanding of which, prorata, \$336 would have been in this form with a high destruction rate.

- 1819 **Ch-1327. FIRST MECHANICS NB OF TRENTON. \$10. Fr-1801-1. 1929 T1. Choice Unc.** (\$35-65)

- 1820 **Ch-1436. NATIONAL STATE BANK of ELIZABETH. \$20 Fr-1802-1. 1929 T1. Abt VG.** (\$55)

Rather scarcer than its valuations would indicate. The top border is shaved at left and there is some soiling present.

Ex Grinnell

- 1821 **Ch-1489. UNION NB of FRENCHTOWN. \$10. Fr-481. 1882 BB. VF-EF (Photo)** (\$350-600)

Very lightly quarterfolded vertically, clean, crisp, bright and vivid with lovely margins and bold signatures, the left stamped, the right written. The centerfold is visible on the face, the others being well pressed, one barely discernible on the back. Probably ex lot 3318 of the Bluestone Grinnell sale.

- 1822 **Ch-2246. FIRST NB of CLINTON. \$20. Fr-1802-1. 19029 T1. Abt VF.** (\$50-Up)

Six or seven folds, light aging and clear traces of processing, No. D110A of 762 sheets and reportedly much scarcer than the guide book suggests.

- 1823 **Ch-4056. BLOOMFIELD NB. \$10. Fr-626. 1902 PB. Good-VG, soiled, faded signatures.** (\$50-90)

- 1824 **Ch-10417. FIRST NB of LYNDHURST. \$10. Fr-1801-1. 1929 T1. VG+. Soiled, closely margined at the left.** (\$60-Up)

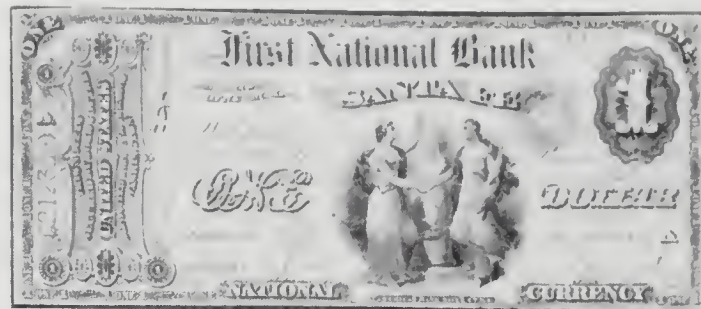

Much scarcer than indicated. A **Fine** note of this bank brought 130 in one of our sales.

- 1825 **Ch-13136. FIRST NB of CEDAR GROVE. \$10. Fr-1801-2. 1929. T2. VF-EF, two heavy folds only.** (★\$235)

\$44,980 reported out in 1935 (small only) with only 2,748 of this note emitted. Much rarer than the H-O prices would suggest.

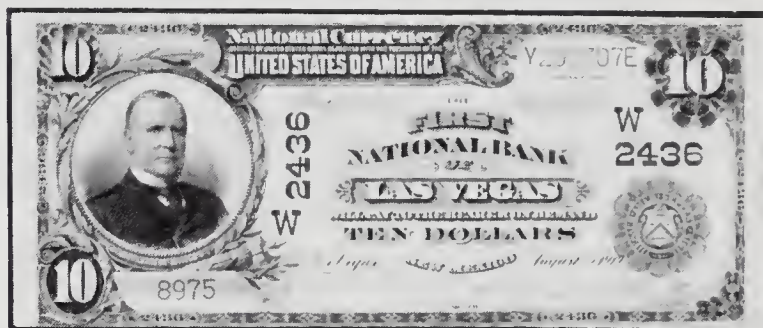

- 1826 **Ch-13363. ASBURY PARK NB AND TRUST CO. \$5. Fr-1800-2. 1929 T2. Choice Unc, petty wrinkling, off center to the left.** (\$75-125)

NEW MEXICO - TERRITORY

- 1827 **Ch-1750. FIRST NB OF SANTA FE. \$1. Fr-382. Original Series. VG, soiled, tightly margined. (Photo)** (\$1,500-Up)

Only \$8101 in large size were outstanding in 1935 of which prorata, \$78 would have been in this variety. Given the low survival rate for small notes, the survivors would probably represent a small fraction of the sum indicated.

- 1828 **Ch-2436. FIRST NB of LAS VEGAS. \$10. Fr-632. 1902 PB. Fine (Photo)** (\$300-500)

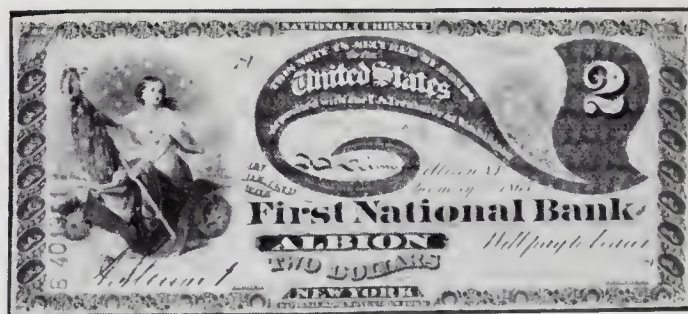

Soiled, with a shaved left bottom border and clear evidence of washing.

NEW YORK

- 1829 **Ch-159. THIRD NB of SYRACUSE. \$10. Fr-479. 1882 BB. VF or so.** (\$240-400)

Quarterfolded both ways and deftly processed, but lightly aged. The margins are very wide. The back is off center toward the top.

Possibly Unique Note

- 1830 **Ch-166. FIRST NB of ALBION. \$2. Fr-387. Original Series. G-VG, a blue ink stain at the bottom. (Photo)** (\$600-1200)

Only honest wear, close margins and aged. This bank failed in 1884 with \$90,000 out. In 1915-6 the total fell to only \$2566 with \$35 redeemed. It is probable that only \$126 prorata remained out of this variety and that this item will command far more than the \$300 catalog price.

Very Rare Item

- 1831 **Ch-223. SECOND NB of COOPERSTOWN. \$5. Fr-466. 1882 BB. VG-Fine.** (\$200-Up)

Lightly aged with a shaved bottom border. The signatures are bold and autographed. Of the \$9475 of large size unredeemed in 1935, \$905 prorata is applicable to this item, this is the only brown back that our consign- or knows of.

- 1832 **Ch-255. FIRST NB of OSWEGO. \$10. Fr-479. 1882 BB. Abt VF.** (\$200-325)

Two or three vertical folds and the same horizontally at the center. Slightly aged around the signatures with adequate and uneven margins. Looks EF or better on the face. Of the \$17,512 large size left out in 1935, \$1070 prorata was in this form.

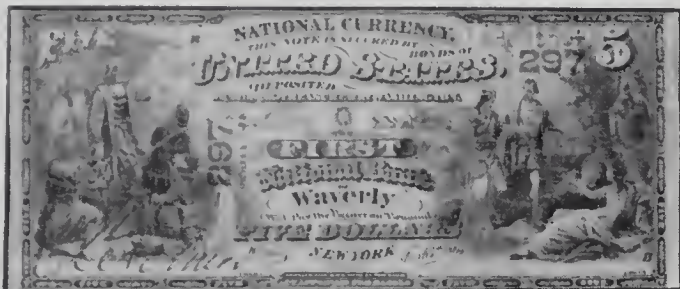

- 1833 Ch-290. FOURTH NB of CITY of NEW YORK. \$5. Fr-587. 1902 RS. Abt VF. (\$150-250)

Three vertical folds and a horizontal one with a very tight bottom margin. Crisp, bright, the autograph signatures bold, though the red seal is a trifle dull. Distributing the \$471,895 of charters 1250, 790 and 2370 prorata, this note's share would be \$980.

- 1834 Ch-295. FIRST NB of PALMYRA. \$5 Fr-466. 1882 BB. VF. (\$125-200)

Quarterfolded both ways with other folds. There is mild aging and the top margin is close. The autograph signatures are bold and the note could easily pass as EF without a close inspection.

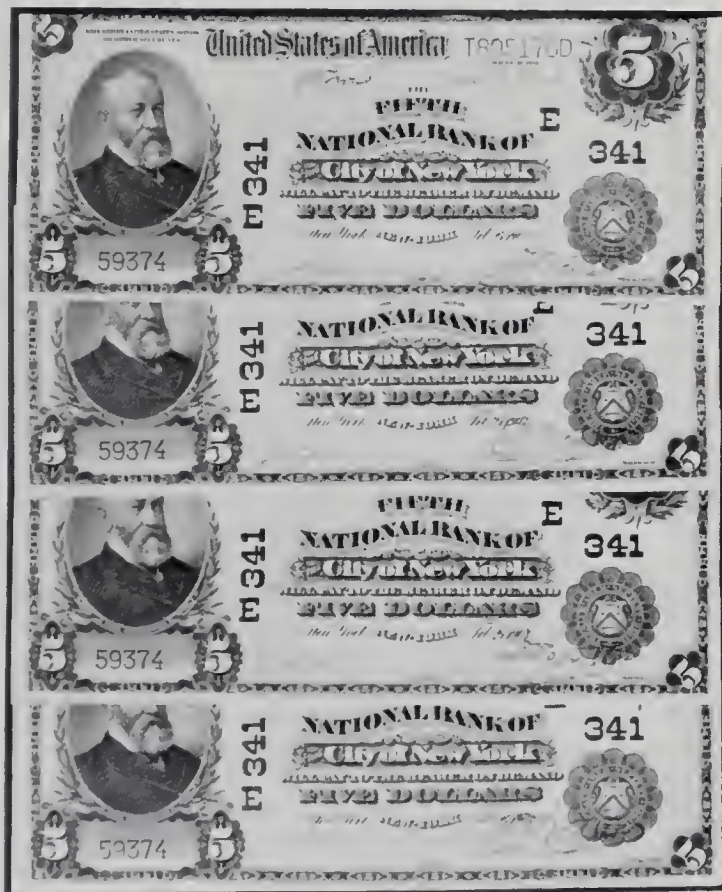

Very Rare Note

- 1835 Ch-297. FIRST NB of WAVERLY. \$5. Fr-401. 1875. Good. (Photo) (\$400-Up)

Soft, soiled, closely margined note with a faded right signature. Only \$6700 of large sized bill were in circulation in 1935 of which \$340 prorata was of this issue. A very tough note as it is the only one our consignor has been able to locate in over 20 years.

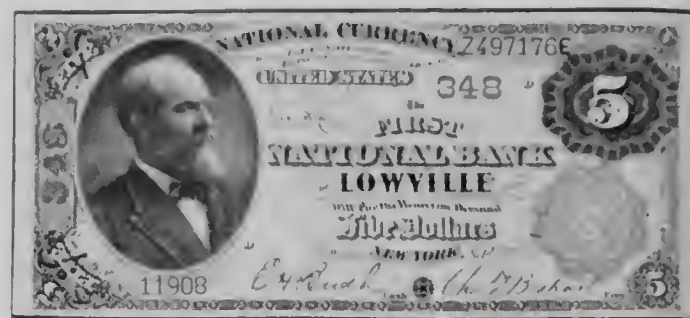

Rare Cut Sheet

- 1836 Ch-341. FIFTH NB of CITY of NEW YORK. \$5. Fr-598. 1902 DB. Unc. (Photo) (\$1500-Up)

A cut sheet of four. T895120D/59374 letters I, J, K, L. The first note has two thirds of the top border trimmed away, the second only a third, and the third and fourth are closely shaved. Each note shows a teller smudge and counting crease at the right. The stamped signatures are rather spotty suggesting a less than flat surface where that work was done. An extraordinary item

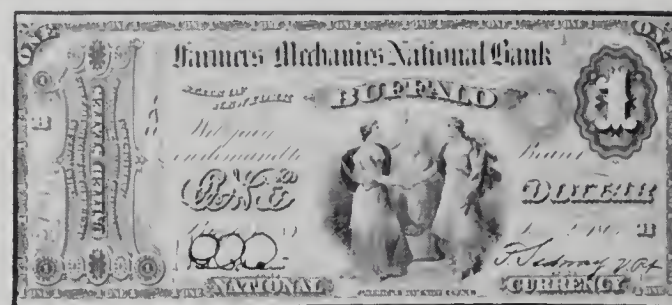

Ex Grinnell Item

- 1837 Ch-348. FIRST NB of LOWVILLE. \$5. Fr-466. 1882 BB. Fine +. (Photo) (\$500-Up)

Quarterfolded both ways with other folds, mildly aged, nicely margined. Bold autograph signatures. Apparently Ex Grinnell lot 3498 and the only one of which our consignor can find any record of.

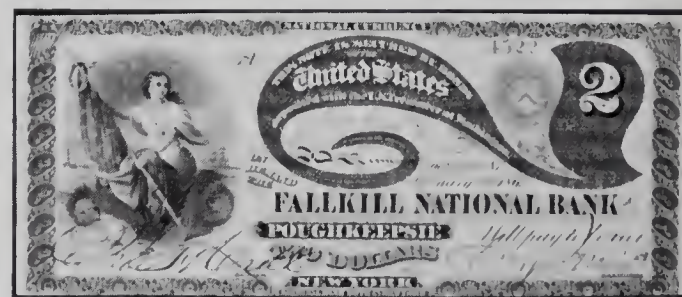

Francis E. Spinner Related Item

- 1838 Ch-453. FARMERS and MECHANICS NB of BUFFALO. \$1. Fr-380. Original Series. About VF. (Photo) (\$400-Up)

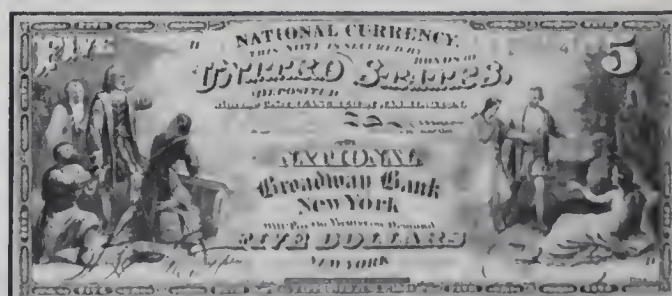

About 5 or so folds, the side borders both trimmed. Liquidated in 1899, only \$3140 in notes remained unredeemed in 1910. Of that sum, only \$160 prorata was applicable to this denomination. Note that the right signer was P. Sidway, the Vice President.

Francis E. Spinner, long time Treasurer of the U.S. was President of the state bank of the same name before he became Treasurer so that his signature was no stranger to the bank officers. A rare note in extraordinary condition.

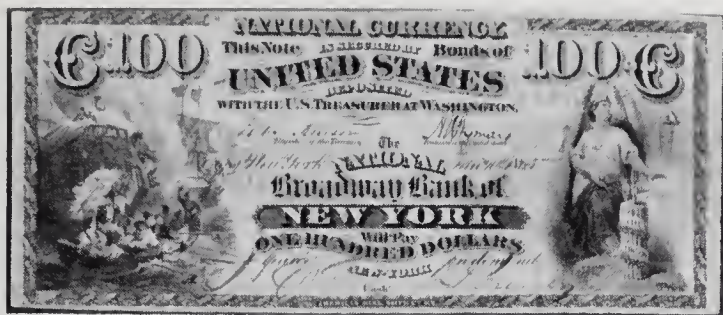

- 1839 Ch-659. FALLKILL NB of POUGHKEEPSIE. \$2. Fr-387. Original Series. Unc. (Photo) (\$1200-2000)

A lovely note that would be Choice but for the tight bottom border. There were only \$12,473 large size outstanding in 1935 of which about \$400 was in this denomination. Given the extraordinary grade, this is clearly a census condition piece.

- 1840 Ch-687. BROADWAY BANK of NEW YORK. \$5. Fr-347. Original Series. About Fine. (Photo) (\$350-Up)

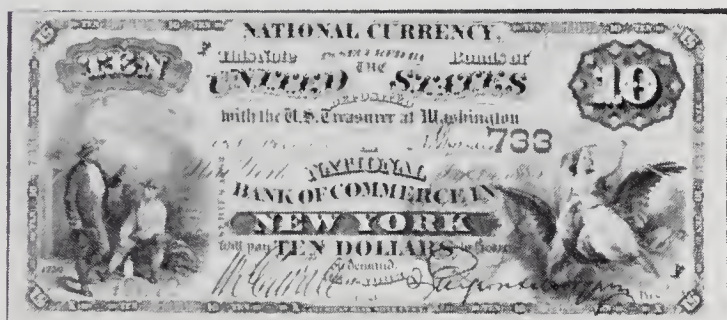

Lightly soiled, complete margins, some body crispness. The notes of this bank (which folded in 1903) are scarce. Only \$40,900 being out in 1910, about \$3000 of which prorata were in this form.

- 1841 **Ch-687.** NATIONAL BROADWAY BANK of NEW YORK. \$100. Fr-457. 1875. VG-Fine. (Photo) (\$5000-Up)

Aged, unevenly margined with the left top border trimmed. Of the \$40,950 outstanding in 1910 about \$6600 prorata could be assigned to this variety. It is obviously rarer than that since a Midwestern dealer offered a \$50 of this series 8 years ago in nearly equivalent grade for \$7500. This item is thought to be ex Farouk but providentially does not have the laminating work the King was so fond of.

J. P. Morgan Autograph

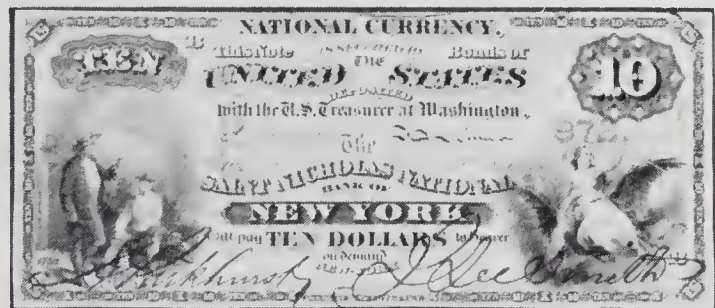

- 1842 **Ch-733.** NB of COMMERCE in New York. \$10. Fr-480. 1882 BB. Choice Unc. (Photo) (\$550-Up)

There is a light stain around the edges that takes this out of the gem class which its superb margins would otherwise entitle it to. Both signatures are bold autographs; that at right (President) bearing the name J. Pierpont Morgan (1837-1913) the famous financier, philanthropist and collector. An exceptional piece possibly worthy of a four figure bid.

- 1843 **Ch-886.** GENESSEE VALLEY NB. \$5. Fr-598. 1902 PB. VF-EF. (★\$100)

No. 36505 with three beautifully pressed folds so that this crisp, bright and vivid note can easily pass for Unc on the face. The back has some edge rubbing and an edge ink stain. The bottom margin of the face is tight. \$10,435 large size unredeemed in 1935 of which perhaps \$2435 was in this form.

- 1844 **Ch-972.** SAINT NICHOLAS NB of NEW YORK. \$10. Fr-412. Original Series. About VF. (Photo) (—)

Five or so folds, one horizontal. Stamped signatures, narrow margins. The back is aligned with the top, the top trimmed. Only \$14,388 in large size was unredeemed in 1910 of which \$1970 prorata applies to this variety. This note is quite rare, our consignor knows of no other. This note should realize well over four figures.

Racketeer \$1000 Note

- 1845 **Ch-1000.** NB of the REPUBLIC of NEW YORK. \$5. Fr-469. 1882 BB. Abt VF. (\$125-200)

Quarterfolded both ways, decent margins and clean. Bold autograph signatures and colors. The charter number was sometimes folded and exposed in such a way as to convince the unsuspecting that the owner was in possession of a \$1000 bill.

- 1846 **Ch-1039.** NATIONAL EXCHANGE BANK of LOCKPORT. \$10. Fr-624. 1902 PB. VF. (\$65-130)

Seemingly AU or EF, this note has been lightly quarterfolded both ways with a stray fold or two. Crisp, bright, vivid with complete borders. Tough to find as nice as this.

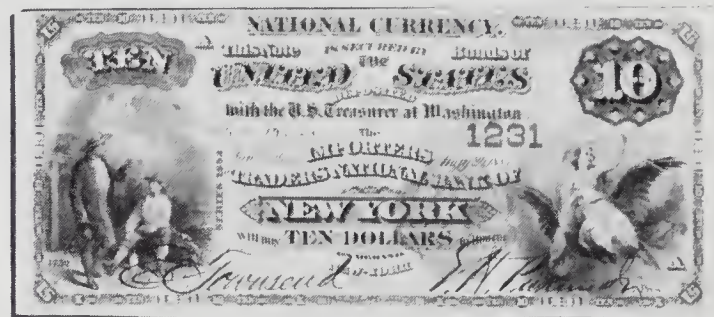

- 1847 **Ch-1080.** MERCHANTS EXCHANGE NB of the CITY of NEW YORK. \$2. Fr-392. 1875. Good. (\$125-225)

Well worn, purple ink stains, edge roughness and soiling. A tough note, for even in 1910 with \$250,000 left out, \$560 pro rata were of this variety.

- 1848 **Ch-1178.** CITIZENS NB OF FULTON. \$20. Fr-495. 1882 BB. (—)

Well worn, the bottom border is shaved with petty chinks. There are the usual white fold "canals" from washing, with red seal and a number bled through to the back. Of the \$6980 in large size reported unredeemed in 1935, some \$720 (31 pieces) prorata are applicable to this variety. Much rarer therefore than the prices indicate.

Scarce Bruce-Jordan Variety

- 1849 **Ch-1231.** IMPORTERS TRADERS NB of NEW YORK. \$10. Fr-481. 1882 BB. Abt VF. (Photo) (\$220-400)

Crisp, bright, vivid, with uneven margins down to the border at the left top. Nice bold autograph signatures. There are six or seven folds all deftly pressed out. Of the \$50,000 of unpaid large size notes in 1923, \$360 prorata were of this variety. The note, besides being rare, has the appearance of an AU or Unc on its face.

- 1850 **Ch-1262.** NEW YORK STATE NB OF ALBANY \$20. Fr-650. 1902 PB. Abt. Fine. (★\$100)

The bottom border is trimmed. \$13,952 was left outstanding in 1935 of which \$560 was in this form.

- 1851 **Ch-1265.** NB of WATERVLIET. \$10. Fr-624. 1902 PB. Unc. (\$125-200)

Petty handling traces, adequate but very uneven margins. Crisp, bright, vivid. Stamped signatures. Of the \$6230 large sized notes unpaid in 1935, \$1300 prorata were of this variety.

- 1852 **Ch-1290.** NATIONAL CITIZENS BANK of the CITY. \$5. Fr-401. 1875. VG-Fine. (\$90-150)

Reasonably clean, the top border is seriously trimmed. In addition there are about eighteen edge splits, from tiny right on up to 10 mm in the top. Stamped "7" in the block at the bottom. A small piece has been crudely restored to the top right corner. Of the charters 1290 and 1499 outstanding in 1920, \$349,997 large size, \$2155 prorata were of this type.

- 1853 **Ch-1290.** CITIZENS CENTRAL NB of NEW YORK. \$10. Fr-616. 1902 DB. About VF, seven or eight folds. (\$45-80)

- 1854 **Ch-1323.** DELAWARE NB OF DELHI \$10. Fr-1801-1. 1929 T1. Abt. VG, soiling several pinholes. (★\$185)

\$31,927 outstanding small size in 1935 with about \$3,550 of it in this form.

- 1855 **Ch-1324.** GALLATIN NB of the CITY of NEW YORK. \$20. Fr-496. 1882 BB. F-VF (\$140-225)

There is light aging, the note is decently margined. The back has a slightly washed out appearance. The signatures are bold. This bank was a conversion from the earlier state bank founded by and named for Albert Gallatin, U.S. Secretary of the Treasury 1801-1814.

Please note that a 10% buyers charge will be added to each lot purchased on all purchases.

- 1856 **Ch-1349.** CHESTER NB. \$5. Fr-598. 1902 PB. VG. (\$120-200)

Soiled, stained, with fading signatures. We are advised of the existence of seven notes of this bank, three of this variety other representations to the contrary notwithstanding. With \$7200 outstanding in large size, nominally \$975 prorata were in this form.

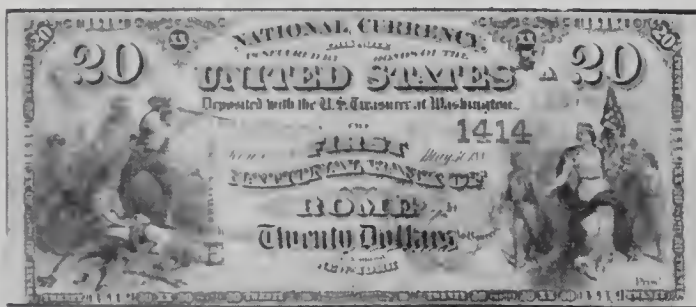

- 1857 **Ch-1393.** BANK OF NY NATIONAL BANKING ASS. \$10. Fr-616. 1902 DB. VF. (\$35-65)

Quarterfolded both ways, adequately margined, fold soiling on the back. Crisp, bright, vivid.

- 1858 **Ch-1394.** AMERICAN EXCHANGE NB of NYC. \$5. Fr-471. 1882 BB. AU. (\$200-300)

Just one barely detectable centerfold. Nicely margined, good autograph signatures. The back appears a bit washed out.

"Sleeper" Bank

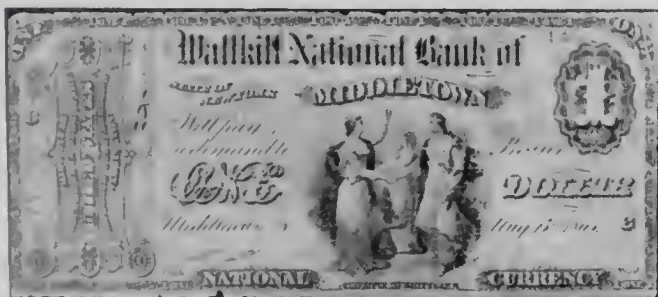

- 1859 **Ch-1414.** FIRST NB of ROME. \$20. Fr-495. 1882 BB. About VG. (Photo) (\$500-Up)

Soiled, stained, with the bottom border shaved and the back clearly washed out from efforts to improve the note. This bank folded in 1915 and the consignor reports he has seen only one other Brown Back of this issuer. With an average unreemable circulation of about $\frac{1}{4}$ of 1%, or say \$3600 only \$140 or 7 pieces would nominally exist of this issue, taken prorata. Clearly worth far more than indicated.

- 1860 **Ch-1461.** NATIONAL CITY BANK of NY. \$5. Fr-469. 1882 BB. (\$50-80)

Good margins, printed signature of James Stillman, the Rockefeller Associate and banking power in New York for a generation.

Possibly Unique Ex Grinnell Note

- 1861 **Ch-1473.** WALLKILL NB of MIDDLETOWN. \$1. Fr-380. Original Series. Fair-Good. (Photo) (\$700-Up)

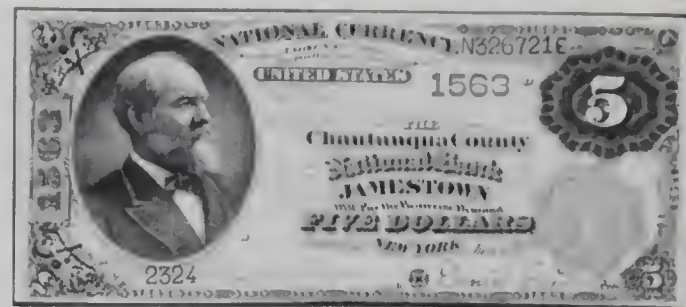

Heavily worn, frayed and chinked edges with a fold "canals". The seal and signatures are faded. This note is ex-Grinnell, lot 3554. The bank was in business a mere 7 years before failing in 1872. By 1916 the notes outstanding were down to \$1004 of which the prorata share of this note would be \$77. Given the poor survival rate of such early low denomination notes, a high three figure bid for this excessively rare note seems well within reason.

- 1862 **Ch-1490.** JEFFERSON COUNTY NB of WATERTOWN. \$10. Fr-624. 1902 PB. F-VF, closely margined at the bottom with faded stamped signatures. (\$40-65)

Unusual Short Issue

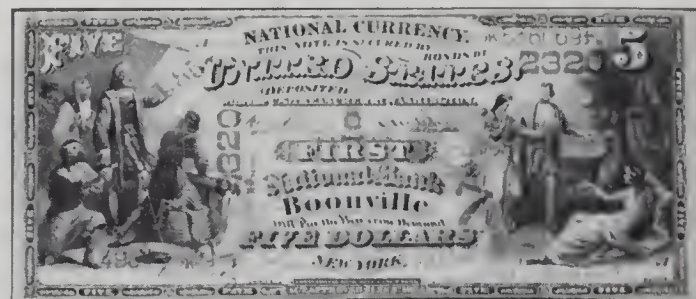

- 1863 **Ch-1509.** ORLEANS COUNTY NB of ALBION. \$10. Fr-624. 1902 PB. VF-EF, trisecting folds. (\$140-220)

Only 450 issued, largely due to the bank's conversion in 1920. \$24,547 large size notes out in 1920 of which the prorata share of this type was \$150 or 15 pieces. The Cashier's signature is autographed, the President's is stamped. An underpriced issue.

- 1864 **Ch-1563.** CHAUTAUQUA COUNTY NB of JAMESTOWN. \$5. Fr-468. 1882 BB. About VF. (Photo) (\$500-Up)

Quarterfolded both ways with other folds and the borders shaved at the center. Our consignor has been able to locate only one other brown back of this bank, which was put into liquidation in 1896. There was only \$3289 worth of large size out in 1910 of which this variety's prorata share was \$400.

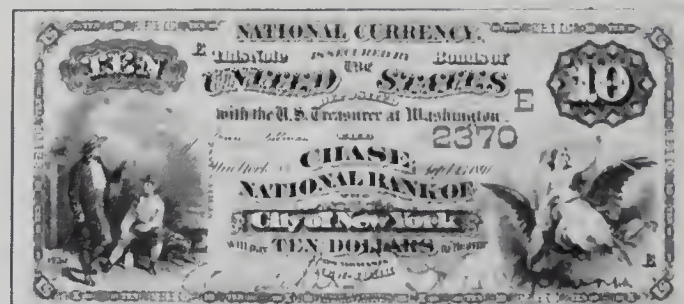

- 1865 **Ch-2320.** FIRST NB of BOONVILLE. \$5. Fr-401. 1875. Fine, plus. (Photo) (\$400-Up)

Reasonably clean, closely margined at the bottom, telltale washing canals along folds on back and two petty edge splits at the top. \$4195 large size out in 1935 of which \$640 was in this form.

- 1866 **Ch-2370.** CHASE NB OF THE CITY OF NEW YORK \$5. Fr-475. 1882 BB. VF-EF. (\$150-240)

Quarterfolded vertically with the top border trimmed at the left. Nice vanity signatures. Possibly ex Grinnell lot 2718.

- 1867 **Ch-2306M.** CHASE NB OF THE CITY OF NEW YORK \$10. Fr-448. 1882 BB. EF+. (Photo) (\$500-Up)

One vertical fold and a bottom pinch fold all that are visible after processing which has left the back a bit washed out. The bottom margin is very tight, the stamped signatures somewhat faded. Underpriced in the higher grades.

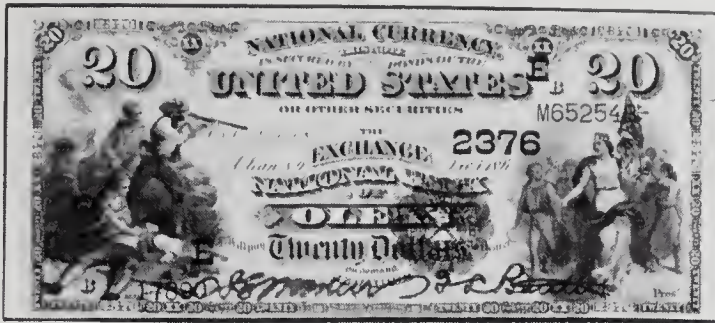

Odd Number

- 1868 **Ch-2370.** CHASE NB OF THE CITY OF NEW YORK \$20. Fr-502. 1882 BB. Fine+. (\$90-150)

Decently margined, soiled, with faded signatures. No. U521521U/81931

- 1869 **Ch-2376.** EXCHANGE NB OF OLEAN \$20. Fr-544. 1882 DB. VG+. (★\$145)

Fold soiling, \$22,040 large size unpaid in 1935, of which approximately \$1180 was in this variety.

- 1870 **Ch-2376. EXCHANGE NB OF OLEAN \$20. Fr-554. 1882 DB. Fine-VF. (Photo) (\$600-Up)**

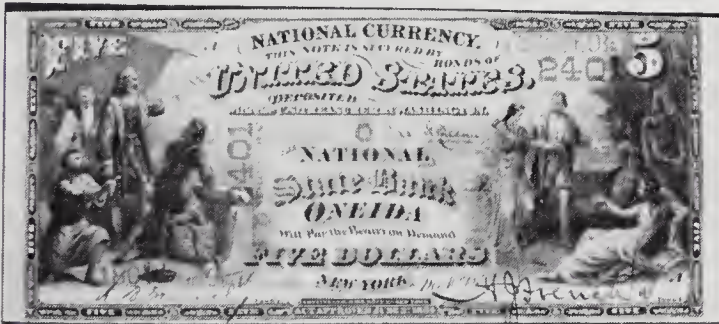

Quarterfolded both ways, other folds, looks VF-EF on face. The bottom margin is very tight. The note is crisp, bright, vivid. The stamped signatures are fuzzy.

This is a rare type for New York State, Grinnell had but one and in a much lower grade. \$22,040 in large size were outstanding in 1935 of which \$2000 prorata pertained to this item. We would therefore expect a high three figure price.

- 1871 **Ch-2400. NATIONAL HERKIMER COUNTY BANK OF LITTLE FALLS \$5. Fr-537. 1882 DB. VF. (\$200-Up)**

Quarterfolded both ways, crisp, vivid, only slightly soiled at the right. The margins are uneven but adequate; the signatures stamped. The face can pass for AU or Unc.

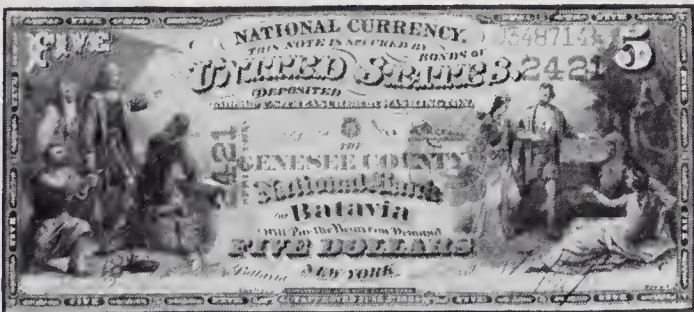

Possible Grinnell Item

- 1872 **Ch-2401. NATIONAL STATE BANK OF ONEIDA \$5. Fr-404. 1875. VG+. (Photo) (\$600-Up)**

Light soiling, adequate margins, light aging and center staining with some paper body left. A very scarce bank put into liquidation in 1913. Probably only about \$2000 left out, of which about \$475 of this issue. Probably Grinnell lot 2404 as our consignor knows of no others (FC) on this bank.

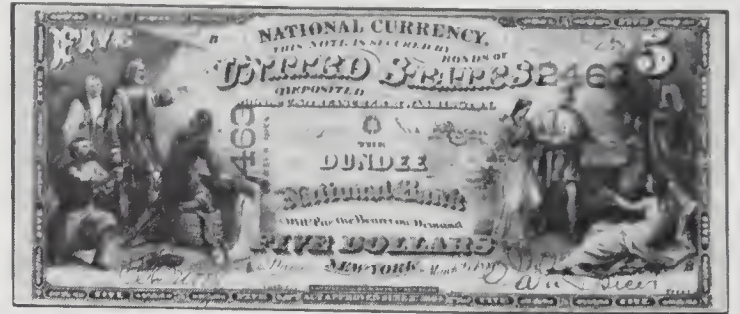

Ex Grinnell Item

- 1873 **Ch-2421. GENESEE COUNTY NB OF BATAVIA \$5. Fr-404. 1875. Fine. (Photo)**

This bank was in business only 5 years and issued only one variety of note. This item matches Grinnell 3033 which is the only mention we can find of it. Only \$495 was outstanding in 1910, all of this issue.

The note is lightly soiled, and is trimmed down to its top and side borders. Clearly worth four figures, how many is hard to say as how does one value uniqueness?

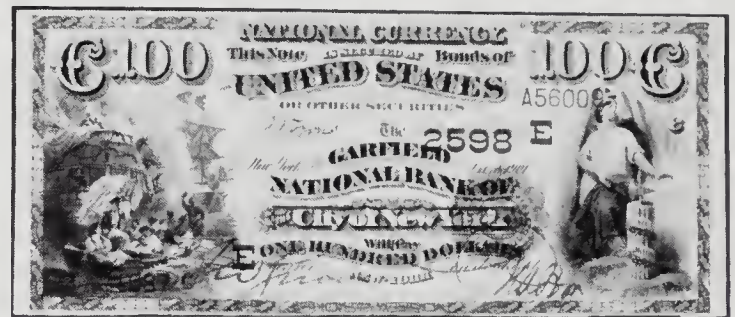

- 1874 **Ch-2463. DUNDEE NB \$5. Fr-404. 1875 VF-EF, heavily quarterfolded, the paper is aging, the margins close. Still crisp, bright, vivid. (Photo) (\$600-1100)**

No. 972 of 24,942 issued there being \$1080 large size out in 1935 of which this issue's share would be about half.

- 1875 **Ch-2493. FIRST NB of RONDOUT. \$5. Fr-404. 1875. G-VG. (\$120-200)**

Closely margined except at the sides, soiled in the center. \$15,640 of large sized notes were unredeemed in 1935, about \$990 prorata was of this issue. Much rarer than is indicated.

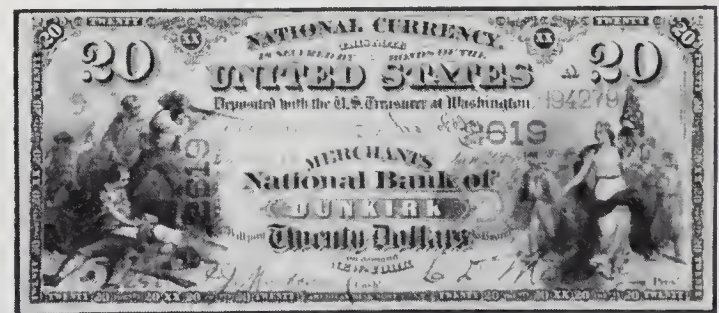

- 1876 **Ch-2598. GARFIELD NB of the CITY of NY. \$100. Fr-571. 1882 DB. VF. (Photo) (\$1200-1800)**

Quarterfolded, vertically, margins uneven, very tight at the bottom. Crisp, bright, vivid, stamped signatures. Based on the prorata circulation distributions of charters 2598 and 2360, one might assume about \$1200 (12 Pcs) outstanding in this form.

Popular Lincoln Title

- 1877 **Ch-2608. LINCOLN NB of the City of NY. \$5. Fr-405. 1875. VG (\$200-Up)**

Reasonably clean, very closely margined at the bottom. Liquidated in 1920 when only 2% of the circulation was still outstanding.

- 1878 **Ch-2619. MERCHANTS NB of DUNKIRK. \$20. Fr-435. 1875. VG-Fine. (Photo) (\$800-Up)**

Somewhat soiled and tightly margined, with surface fold splitting. Only \$9155 large size outstanding in 1935 of which, prorata, \$240 (12 Pieces) pertains to this issue. Much rarer than cited in the manuals in our view, especially as this scarce type for New York, one being in our Decker sale of 1981. Clearly worth more than listed.

- 1879 **Ch-2657. WATERTOWN NB. \$10. Fr-634. 1902 PB. VF. (\$50-85)**

Quarterfolded both ways, decently margined, crisp, bright, vivid. \$7207 large size unpaid in 1935, \$1450 prorata applies to this note.

Very Rare Note

- 1880 **Ch-2661. MILLERTON NB. \$5. Fr-1800-2. T2. Unc, wrinkling. (\$90-150)**

Only 324 issued of which less than 100 were outstanding in 1935. Few could possibly be better than this. How an item of this rarity could be given the same price as items 15 times commoner is beyond our capacity for deduction.

Cut Sheet

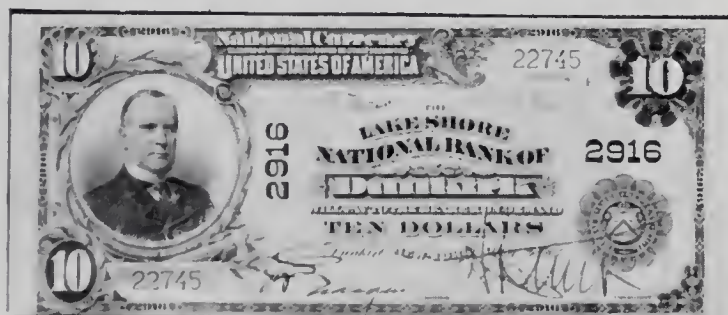

- 1881 **Ch-2661. MILLERTON NB. \$20. Fr-1802-1. T1. Gem Unc. 6 Pcs. (Photo) (\$1000-Up)**

A231A-F231A, all clean, nicely margined and pleasing in every way. Only 1452 notes emitted, \$28,775 small size outstanding in 1935 of which \$8640 prorata or 432 notes were of this type.

- 1882 **Ch-2661. MILLERTON NB \$20. Fr-1802-1. 1929 T1. Unc. (★\$235)**

No. D228A with just a hint of teller wrinkling at the right, nicely margined.

Possible Grinnell Note

- 1883 **Ch-2916. LAKE SHORE NB OF DUNKIRK. \$10. Fr-624. 1902 PB. Unc (Photo) (\$400-Up)**

There is wrinkling and the bottom border is paper thin. The signatures are autographed. \$5415 of large size were outstanding in 1935 of which \$1470 were in this form. Probably Grinnell lot 2188 and a very scarce note, especially so choice.

- 1884 **Ch-2916. LAKE SHORE NB OF DUNKIRK \$10. Fr-624. 1902 PB. F-VF. (★\$100)**

Quarterfolded both ways with extra folds. The note is clean, the borders intact. \$5415 outstanding of large size in 1935; \$1850 was in this form.

- 1885 **Ch-3312. FULTON COUNTY NB of GLOVERSVILLE. \$20 Fr-650. 1902 PB. VF. (\$200-300)**

The face looks Unc, but the note is quarterfolded both ways. Crisp, clean, nicely margined, the left stamped signature hasn't registered in spots. \$6460 large size were unpaid in 1935 of which \$920 applies to this item. Obviously rarer than listed as we can find records of only 4 large notes of this bank.

Desirable Radar Charter Number

- 1886 **Ch-3333. MERCHANTS NB of MIDDLETOWN. \$5. Fr-598. 1902 PB. VG-Fine. (\$250-Up)**

The note has some body, narrow margins, stamped signatures, scattered light soiling. \$10,210 in large size outstanding were reported in 1931 of which, prorata, \$1835 were of this variety.

We can find records of only about 10 notes of this bank and only one other blue seal, the \$20 Fr-650 Decker piece, SG 1 Lot 1627 (1981), in VG.

Third Title Note

- 1887 **Ch-4567. WESTERN NB of the UNITED STATES in NY. \$5. Fr-477. 1882 BB. Abt VF. (\$180-300)**

Quarterfolded both ways with other folds, good margins and bold vanity signatures. Moderately scarce as this title was used only for about six months.

- 1888 **Ch-4645. LIBERTY NB of NY. \$5. Fr-472. 1882 BB. VG-Fine. (\$60-80)**

Some soiling, the signatures are autographed, the margins uneven but adequate. This bank liquidated in 1921.

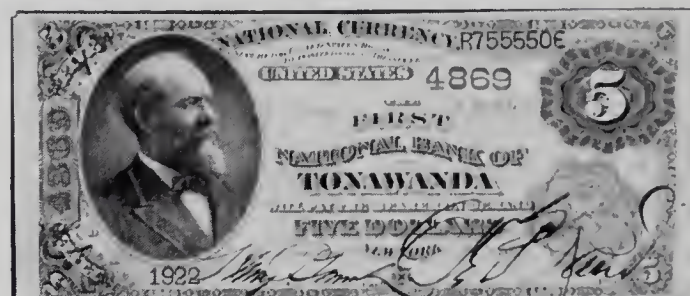

- 1889 **Ch-4711. UNION NB of SCHENECTADY. \$20. Fr-1802-1. 1929 T1. Fine, plus. (\$50-100)**

No. D1032A of 1178 sheets emitted. A difficult note to locate.

- 1890 **Ch-4858. CITIZENS NB of PORT HENRY. \$10. Fr-485. 1882 BB. F-VF. (\$200-350)**

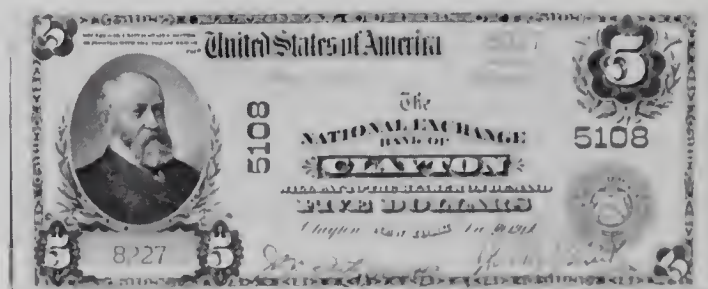

Quarterfolding both ways with other handling, looks EF on the face. Nicely margined, autographed signatures with a purple stain in the top left corner tip. \$8790 large size unpaid in 1935 for charters 1697 and 4858 of which \$230 prorata applies to this item. Probably ex Grinnell lot 2440.

Very Rare National

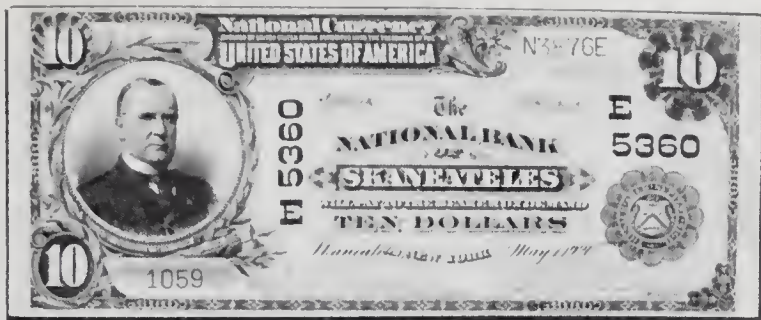

- 1891 **Ch-4869. FIRST NB of TONAWANDA. \$5. Fr-472. 1882 BB. Fine. (Photo) (\$700-Up)**

Moderately aged, unevenly margined, and the note has some soiling. The autograph signatures are bold and vain. Our records indicate only 4 known, of which only one other \$5 note is enumerated. Clearly a lot of notes got retired after the 1916 liquidation report.

- 1892 **Ch-5108. NATIONAL EXCHANGE BANK OF CLAYTON. \$5 Fr-606. 1902 PB. VF-EF. (Photo) (—)**

A superficially Unc note, brilliantly processed with a paper fold as made on the back, and other faint folds in the right side. Unevenly margined, tight as a banjo string at lower left. There were \$4897 of large sized notes unpaid in 1935 of which \$545 prorata were of this issue. In addition the records available to us show only 7 pieces (none in Decker). Surely worth four figures.

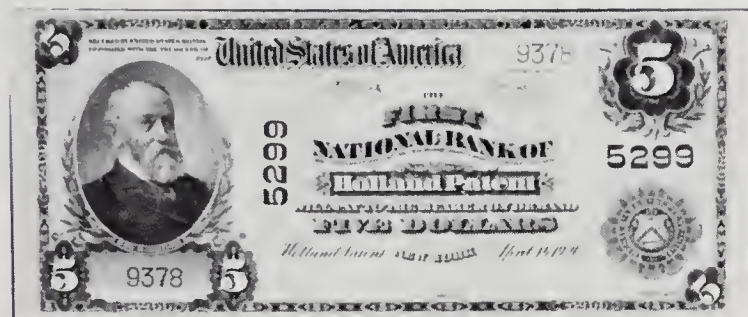

- 1893 **Ch-5360.** NB of SKANEATELES. \$10. Fr-633. 1902 PB. AU (Photo) (\$325-550)

There are corner folds both left and at lower right and teller smudging and wrinkling at right. \$3630 large size out in 1935 of which prorata \$470 was of this variety.

- 1894 **Ch-5407.** FIRST NB OF FALCONER \$10. Fr-1801-2. 1929 T2. An Unc note with a pinch fold at the top. (★\$225)

No. A000002 and this the second note of only 353 emitted. The margins are uneven, the sheets being scissor, not mechanically cut up.

- 1895 **Ch-5299.** FIRST NB OF HOLLAND PATENT \$5. Fr-607. 1902 PB. Fine. (Photo) (★\$300)

Soiling, uneven margins and faint signatures. \$1550 large size unredeemed in 1935 of which an estimated \$835 was in this form.

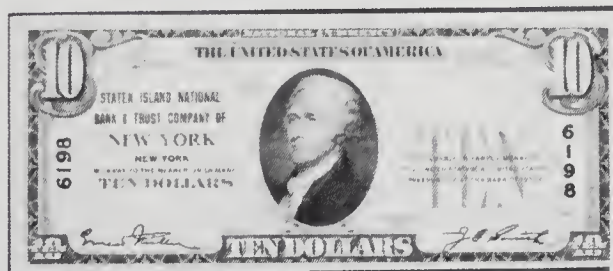

- 1896 **Ch-6094.** NATIONAL EXCHANGE BANK of CARTHAGE. \$5 Fr-608. 1902 PB. Abt VF. (\$75-140)

There are vertical quarter folds and other signs of folding. The margins are uneven and down to the border at the right bottom corner. \$8100 in large size was outstanding in 1932, of which, prorata, 1150 pertained to this issue. On its face, this note will easily pass for EF.

- 1897 **Ch-6184.** MARINE NB of BUFFALO. \$10. Fr-616. 1902 DB. Abt VF. (\$45-80)

Quarterfolded both ways with other folds, tightly margined at the top. Superficially an EF.

An Extraordinary Error

- 1898 **Ch-6198.** STATEN ISLAND NB & T CO. of NY. \$10. Fr-1801. 1929. About VF. (Photo) (\$600-Up)

Both the numbers and seal are missing with no signs of their ever having been there. An exceptional item, first we have ever seen in this series. Possibly unique.

Probable Grinnell Item

- 1899 **Ch-6802.** ARCADIA NB and T CO. of NEWARK. \$10. Fr-624. 1902 PB. Unc. (\$150-250)

The top border is shaved and there is a thin, rust colored stain running down from the "A" in "AMERICA". The stamped signatures are light in spots. Probably ex Grinnell lot 2361, this item being No. 6332 plate B.

- 1900 **Ch-7612.** NATIONAL CITY BANK of TROY. \$10. Fr-624. 1902. PB. VF-EF. (\$150-250)

No. 55839 plate I. Very scarce, the only \$10 of this issuer our consignor has seen, though Decker did have the \$5 note of this series. There are faint folds, difficult to detect due to the meticulous efforts of someone who processed the note to improve its appearance. Crisp, bright, vivid. The bottom border is half trimmed away.

Possible Ex Grinnell Item

- 1901 **Ch-8717.** Ontario NB of CLIFTON SPRINGS. \$10. Fr-626. 1902 PB. Fine-VF. (Photo) (\$1000-Up)

A lightly aged note with about a dozen processed folds. The margins are uneven and narrow. \$380 large size left unpaid in 1935, of which \$110 was of this variety. Obviously rare, perhaps ex Grinnell lot 2150 (No. 810 F). Also not in Decker and clearly underrated. Fully worth a four figure price.

Uncut Sheet

- 1902 **Ch-8926.** BRONX NB of the CITY of NY. \$5, \$5, \$5, \$5. Fr-600. 1902 PB. Gem Unc. (Photo) (\$1800-2750)

An early sheet No. 7619 with stamped Cashier and autographed President's signature. A very scarce and desirable item.

- 1903 **Ch-9360.** UNION EXCHANGE NB of NY. \$10. Fr-626. 1902 PB. Abt EF. (\$75-125)

There are three vertical folds, one at the center, two together at the left. Unevenly margined, the lower right corner with a thin spot.

- 1904 **Ch-9717.** GOTHAM NB of NY. \$20. Fr-653. 1902 PB. F-VF. (\$50-80)

Quarterfolded both ways, other folds, uneven margins, the bottom trimmed right of center.

- 1905 Ch-10258. SILVER CREEK NB \$10. Fr-628. 1902 PB. VG. (★\$100)

\$3070 large size left out in 1935 of which about \$1930 was in this form. The top border is shaved and there is staining along a horizontal back fold.

A Very Scarce Note

- 1906 Ch-10964. FIRST NB of OLD FORGE. \$10. Fr-632. 1902 PB. VG+. (\$200-Up)

Soiled, with the smooth starchy feel of a processed bill. The bottom margin is tight, the stamped signatures faded. \$1580 large size were out in 1935, \$960 were of this variety. Not in Decker. Our records disclose only four known notes on this bank. Therefore underpriced in the listings and worthy of a strong bid.

- 1907 Ch-11034. PUBLIC NB of NEW YORK. \$10 Fr-632. 1902 PB. Fine. The top edge is roughly cut. Some scattered soiling and foxing. (\$30-60)

A Series of Long Island Notes

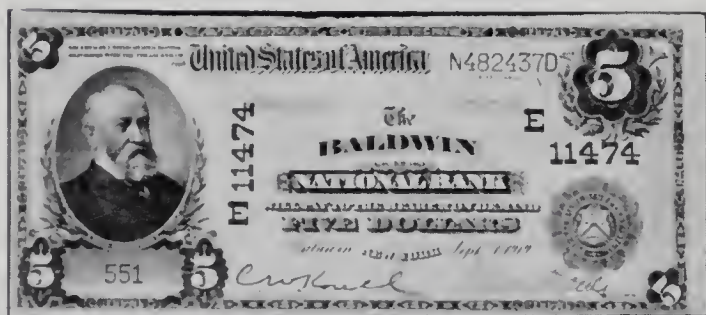

- 1908 Ch-11087. LONG ISLAND NB OF HICKSVILLE \$5. Fr-606. 1902 PB. Fine, light soiling. (\$500-Up)

Unevenly margined, all of the \$2230 large sized notes outstanding are of this type.

- 1909 Ch-11087. LONG ISLAND NB OF HICKSVILLE \$5. Fr-606. 1902 PB. VG, (Photo) (★\$425)

The note is soiled, unevenly margined with the signatures faded out. \$2230 in large size still out in 1935 of which all were in this form.

- 1910 Ch-11474. BALDWIN NB \$5. Fr-606. 1902 PB. G-VG. (Photo) (★\$475)

The margins are very uneven including part of an adjacent note at the lower left, both top and bottom edges are frayed and there is surface fold splitting. \$1675 large size unpaid in 1935 of which \$990 was of this denomination.

- 1911 Ch-11603. PEOPLES NB AND TRUST CO. OF LYNBROOK \$5. Fr-607. 1902 PB. Fine, with light soiling. (\$90-150)

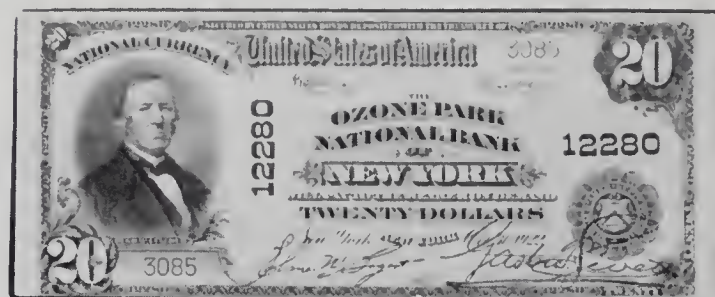

Only \$4130 large size bills were left out in 1935 of which about \$220 were of this type. The note is heavily quarterfolded both ways with other folds, the face being more attractive than the back.

Ex Grinnell Item

- 1912 Ch-11768. COMMUNITY NB of BUFFALO. \$10. Fr-633. 1902 PB. Unc. (Photo) (\$400-Up)

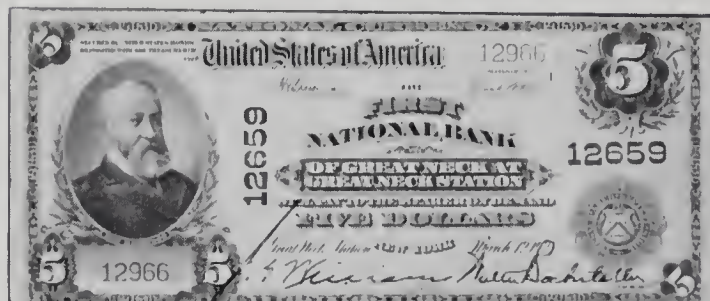

Scattered wrinkling, autograph signatures, narrowly margined. Crisp, bright and vivid. Believed to be the Grinnell lot 2103. Much rarer in this grade than indicated and worth a solid three figures.

- 1913 Ch-12280. OZONE PARK NB of NEW YORK. \$20. Fr-661. 1902 PB. VF. (Photo) (\$600-Up)

Quarterfolded both ways, with the bottom border shaved. The signatures are printed. At a glance, the note appears to be AU. There were \$1720 worth of large size outstanding in 1934 of which, prorata, \$440 (22 pieces) were in this form. A very scarce item. The Decker collection held only the common \$5 in Fine.

Long Island Note

- 1914 Ch-12659. FIRST NB OF GREAT NECK AT GREAT NECK STATION \$5. Fr-609. 1902 PB. VG+. (Photo) (★\$325)

The top margin includes part of the adjacent note while the bottom border is trimmed. There is an ink corrosion hole in both signatures. \$2890 of large size were unredeemed in 1931, all of this note.

- 1915 Ch-12885. LONG ISLAND NB OF NYC \$10. Fr-635. 1902 PB. Fine. (\$75-125)

\$8550 in large sized bills were unpaid in 1931 of which \$2140 were prorated to this note. The margins are uneven, the signatures washed out in appearance.

- 1916 Ch-13393. LINCOLN NB and TRUST CO of SYRACUSE. \$20. Fr-1802-1. 1929 T1. Fine, soiling, ink notation on the back left margin. The scarcest of this bank's small sized notes.

NORTH CAROLINA

- 1917 Ch-4292. PEOPLES NB OF WINSTON \$10. Fr-627. 1902 PB. Abt. VG. (★\$85)

Scattered stains, faded signatures and a shaved bottom border. \$19,360 large size unpaid in 1932 of which about \$5750 were of this variety.

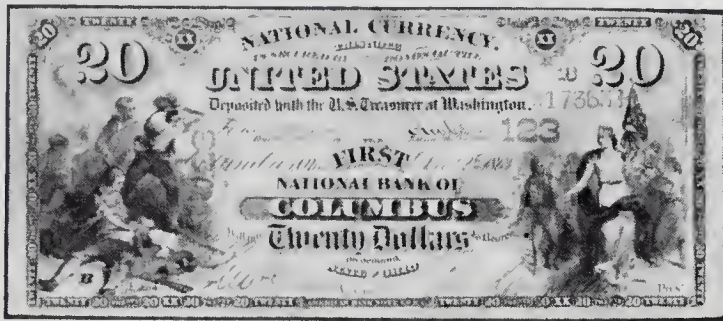

- 1918 Ch-5182. MURCHISON NB OF WILMINGTON \$10. Fr-632. 1902 PB. VG-F, closely margined and a bad stain in the top right corner. (★\$120)

★ Preceding the low figure of the estimate indicates the reserve, and the minimum bid acceptable.

OHIO

- 1919 **Ch-98.** FIRST NB of IRONTON. \$20. Fr-650. 1902 PB. Unc. (★\$130)

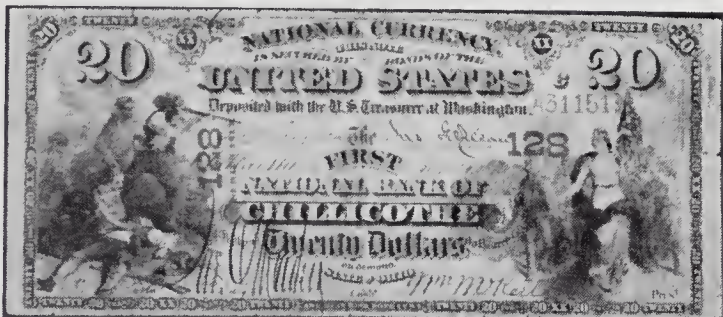

Crisp, bright, vivid, with only petty handling traces and a tight bottom margin. There is also a petty discoloration in the upper right corner tip. \$38,202 large size outstanding in 1935 of which about \$1610 or 161 notes were in this form.

- 1920 **Ch-123.** FIRST NB of COLUMBUS. \$20. Fr-431. 1875. VG. (Photo) (★\$900-1500)

Rather stained and soiled, a petty body hole in New's signature, unevenly but adequately margined. Put into liquidation in 1890, only \$7958 of circulation left unredeemed in 1910, of which \$1540 (or 77 pieces) pertained to this item. A very tough note.

Low Numbered Note

- 1921 **Ch-128.** FIRST NB of CHILLICOTHE. \$20. Fr-434. 1875. Good-Very Good. (Photo) (\$600-Up)

Well worn, a short edge tear at the right and several widely scattered pinholes. The top edge is nicked. \$12,720 of large sized notes were still unpaid in 1935 of \$420 (21 pieces) prorata apply to the item. No.52 and the first one the consignor has seen on this bank located in what was once Ohio's capital.

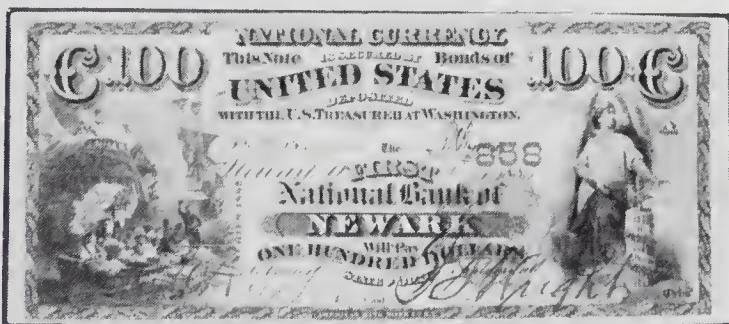

- 1922 **Ch-142.** FIRST NB of MARIETTA. \$20. Fr-650. 1902 PB. Abt VF. (\$70-130)

Five vertical folds, clean, decently margined. Scarce, \$22,010 large size out in 1935 of which \$580 (28 pieces) prorata were of this item.

- 1923 **Ch-164.** FIRST NB OF ZANESVILLE. \$20. Fr-493. 1882 BB. F-VF. (—)

Stained at the upper right corner, with wide margins and a pinhole in the head of the man to the left of Columbia, right. \$15,620 large size unpaid in 1935 of which, prorata, \$960 (48 pcs.) were in this form. No. 9516A.

- 1924 **Ch-419.** FIRST NB of GALION. \$10. Fr-1801-2. 1929 T2. Fine, soiled, discolored left top. (\$45-75)

- 1925 **Ch-858.** FIRST NB at NEWARK. \$100. Fr-520. 1882 BB. Fine. (Photo) (\$1200-2400)

Soiled at the right, a paper clip stain at the center top and uneven margins. \$5450 large size outstanding of which, prorata, \$700 (7 pieces) of this note may have survived. No. 680 of 742 issued. One of only two Brown Back \$100s known to us on this bank. Clearly a great rarity, worthy of a runaway price.

- 1926 **Ch-916.** CHAMPAIGN NB of URBAN. \$5. Fr-598. 1902 PB. Fine-VF, the bottom shaved at left. (\$65-105)

- 1927 **Ch-1064.** MADISON NB of LONDON. \$10 Fr-624. 1902 PB. VF-EF. (—)

Three vertical folds, so deftly pressed that that the face looks Unc. Decent margins. \$4595 large size unpaid in 1935 of which \$650 prorata was of this issue. No. 8443D.

- 1928 **Ch-1944.** FIRST NB of BELLAIRE. \$10. Fr-628. 1902 PB. VG, quite soiled. (\$50-100)

- 1929 **Ch-1984.** CITIZENS NB of GALION. \$10. 1882 BB. VF-EF. (\$250-400)

Low serial number 114B. Three light folds, neatly made to almost disappear, so that the face looks Unc. Crisp, bright, vivid, adequately, but very unevenly margined. Soiling at the top center. \$12140 large size outstanding. \$855 prorata pertains to this variety.

- 1930 **Ch-2025.** MERCHANTS NB of MIDDLETOWN. \$20. Fr-499. 1882 BB. VG+. (\$250-400)

Soiled. Widely, if unevenly margined. Autographed signatures. \$16,880 in large size left out in 1935 of which \$440 (22 pieces) prorata were of this bill. No. 3693A. One of only three brown backs we can find a record of on this bank.

Short-Lived Name

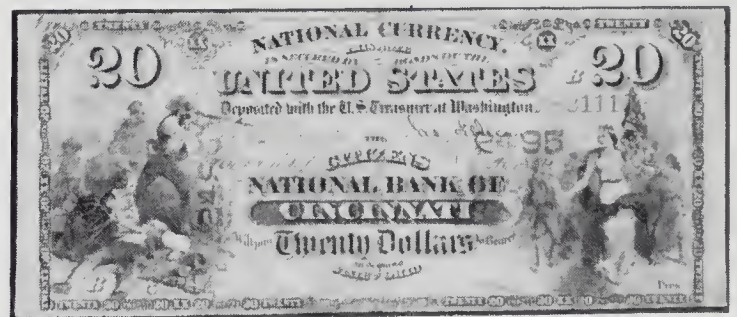

- 1931 **Ch-2098.** LAGONDA-CITIZENS NB of SPRINGFIELD. \$5. Fr-603. 1902 PB. F-VF. (\$100-185)

Quarterfolded both ways, and other folds. Edge soiling, a tight top margin. Nice autograph signatures and the scarce Napier-Thompson combination.

- 1932 **Ch-2274.** FARMERS NB of BRYAN. \$10. Fr-490. 1882 BB. VG-Fine. (\$125-250)

Light soiling, uneven but good margins, the left stamped signature is faded, the right signature is autographed. No. 2251. C. \$12,080 large size left out in 1935, of which \$180 prorata pertains to this variety. One of the better quality Brown Backs for this bank.

A Rare Bank Series

- 1933 **Ch-2495.** CITIZENS NB of CINCINNATI. \$20. Fr-434. 1875. G-VG. (Photo) (\$220-400)

No. 83214, well-soiled and stained especially in the left center. Trimmed face and back upper left and lower right. Placed in liquidation in 1927 with only \$3100 large size out in 1935 of which prorata \$200 (10 pieces) related to this issue, Much rarer than indicated.

- 1934 **Ch-2495.** CITIZENS NB of CINCINNATI. \$10. Fr-490. 1882 BB. Fine. (\$140-240)

No. 59400C, clean, even wear, nicely margined. The signatures are autographs. \$3100 large size outstanding in 1935, of which, prorata, \$300 (30 pieces) applies to this issue. A pleasing specimen of this rare issue.

- 1935 **Ch-2495.** CITIZENS NB of CINCINNATI. \$20. Fr-555. 1882 DB. Fine. (\$120-220)

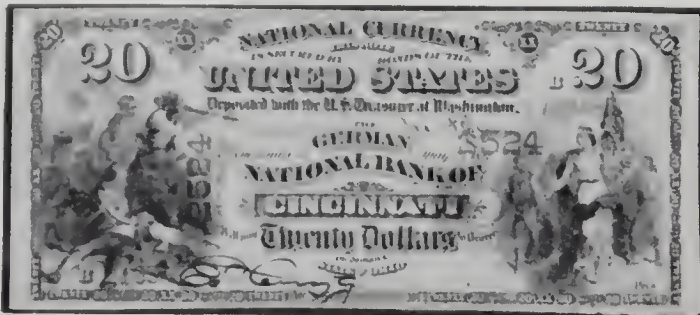

No. 81655C. Clean, but miscentered toward the top where the border is trimmed. Preternaturally smooth (starch?), stamped signatures a bit feathered. \$3100 large size unredeemed of which \$240 prorata (12 pieces) can be assigned to this item.

Change of Title Bank Series

- 1936 Ch-2524. GERMAN NB of CINCINNATI. \$10. Fr-419. VG, and looks better. (\$180-300)

No. 9111C. Soiling, wear, a small piece replaced in the top margin edge. \$27,970 large size out in 1935 of which \$1930 prorata was in this form.

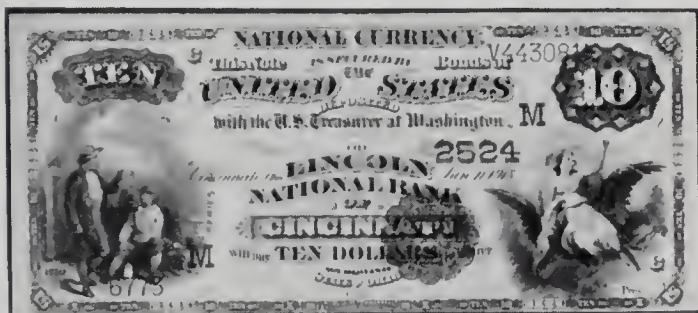

The Bank thought it best to change its unpopular ethnic name in 1918 in response to the public antipathy for anything German, the "safe" name, "Lincoln" being prudently adopted in its stead.

- 1937 Ch-2524. GERMAN NB of CINCINNATI. \$20. Fr-434. 1875. G-VG. (Photo) (\$325-550)

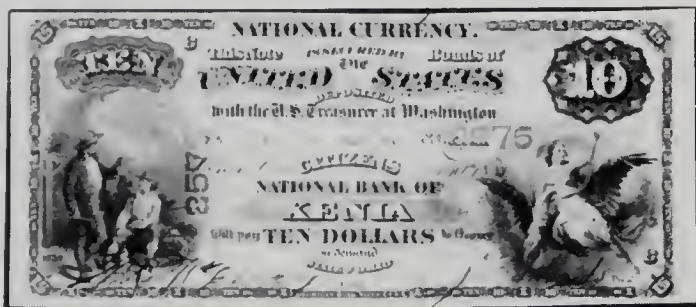

No. 16339B. Good, even wear. The margins are ample, but uneven. Out of \$27,970 large size unpaid, \$1280 prorata was in this form.

Second Title, Scarce Signature Combination

- 1938 Ch-2524. LINCOLN NB of CINCINNATI. \$10. Fr-579b. 1882 VB. VG (Photo) (\$1000-Up)

No. 6773C. Teehee-Burke. Well worn, with a trimmed bottom border. Called "very fine or so" in an auction lot write up years ago and valued at \$1,000. Though we feel it has no pretense to that grade, the fact that it was unlisted in the early Friedberg editions, hence the "b" sub number, lends credence to the \$1000 estimate. Of \$27,970 large size out in 1935, \$640 was in this form, prorata.

- 1939 Ch-2575. CITIZENS NB of XENIA. \$10. Fr-420. 1875. VG +. (Photo) (\$500-900)

No. 1500C. Aged to a light tan color, wide margins, the left autographed signature smeared. A rare item, because of \$5,260 large size reported unpaid in 1935, \$330 prorata would be in this form. Indeed we have been unable to find a record of more than one other of this elusive issue's 10's.

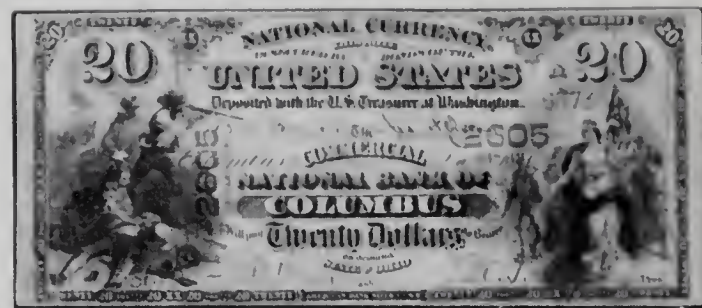

- 1940 Ch-2604. WINTERS NB and TRUST CO of DAYTON. \$50. Fr-684. 1902 PB. VG-Fine. (\$150-225)

No. 237C Soiled, tightly margined at the top, with part of the adjacent \$100 bill visible at the lower right corner.

- 1941 Ch-2604. WINTERS NB and TRUST CO of DAYTON. \$50. Fr-1803-1. 1929 T1. G-VG. (\$55-70)

Quite soiled, with some loss of detail, especially on the back due to an attempt to improve the appearance of the note.

Tough Rarity

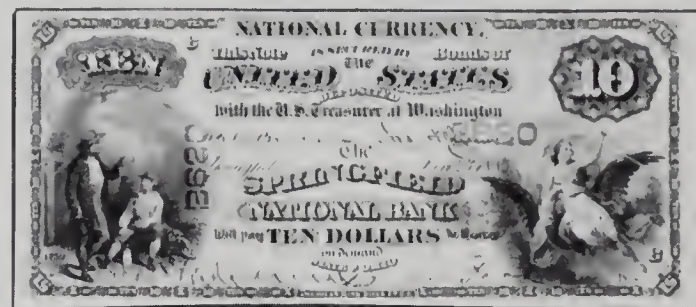

- 1942 Ch-2605. COMMERCIAL NB of COLUMBUS. \$20. Fr-435. 1875. VG. (Photo) (\$400-Up)

Soiled, rather closely margined, and the surfaces feel smoother than this note's condition warrants. Of \$34,610 of charters 7621, 7818 and 2605 large size still in circulation in 1935, \$320 (16 pieces) prorata would be the share of this item. Clearly underpriced in the guides, unless there has been a peculiar survival pattern.

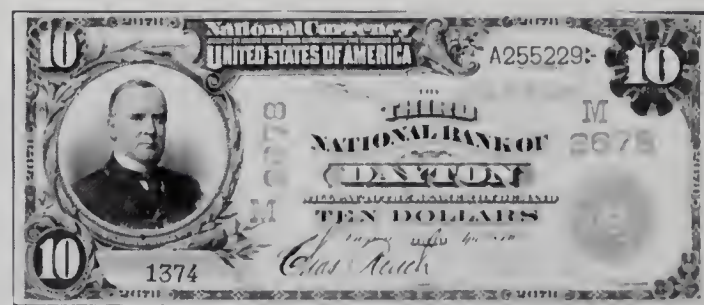

- 1943 Ch-2605. COMMERCIAL NB of COLUMBUS. \$5. Fr-608. 1902 PB. Choice AU. (\$150-225)

No. 49161B. Good margins and just the lightest of center folds. Crisp, bright, vivid. With stamped signatures.

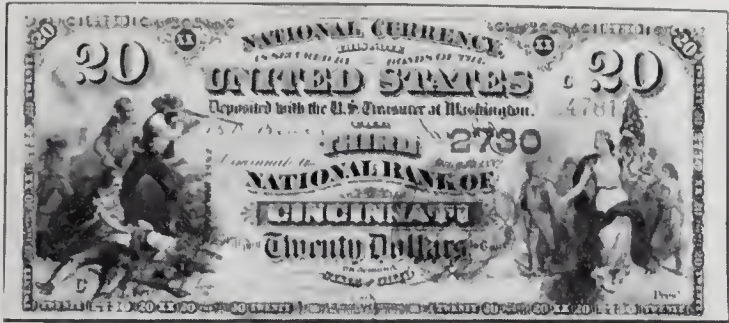

- 1944 Ch-2620. SPRINGFIELD NB. \$10. Fr-420. 1875. VF-EF. (Photo) (\$1300-2000)

At least two vertical folds, traces of others, purple stains at the top, decent though uneven margins. Lightly soiled at sides. The note resembles an EF or AU, easily. The bank failed in 1923, leaving lots of time before 1935 to reduce the large size issues to under the typical 1/4 of one percent or 30-50 notes.

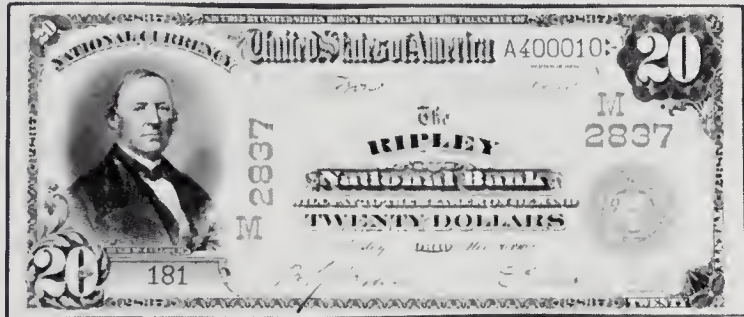

- 1945 Ch-2678. THIRD NB OF DAYTON \$10. Fr-613. 1902 RS. Fine-VF. (Photo) (\$250-450)

No. 1374A. Quarterfolded both ways with other folds, deftly processed to look Unc. on the face. The left signature is an autograph, the right is faded and stamped. The bottom edge is rough (tear severed?) margins decent.

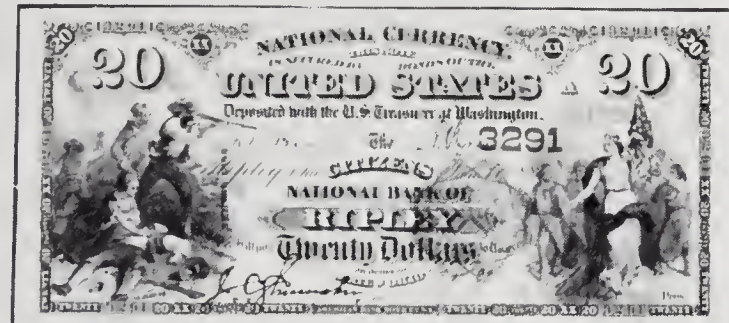

1946 Ch-2730. NB OF CINCINNATI \$20. Fr-493. 1882 BB. EF+. (Photo) (\$1000-Up)

No. 70353C. - 2023 Ch-4305. GERMAN NB of RIPON. \$20. Fr-652. 1902 PB. Abt
VF. (—)

This note is quarterfolded both ways with just a hint of scattered soiling. Only \$13,207 was outstanding in 1935 of the large size circulation of charters 4305 and 425. Given a modest issue of only 1,060 pieces, the prorata value of this note's share of the circulation would be about \$60 or all of 3 Pieces. A very scarce note. Bid accordingly.

First Obligation Back

- 2024 \$100. Fr-165. 1862. Proof sheet by NBN on card, Unc.
(Photo) (\$2,000-Up)

There is light foxing, the india paper is not flush with the edges of the card. A very rare item indeed, not illustrated in any of the books.

A Superb Collection of Netherlands Billets de Confiance of the French Revolutionary Period

In the 18th Century the Netherlands, although no longer a great power, was by virtue of its commerce and colonies a very wealthy nation and a major banking center. Dutch finance and low rates were very much in demand. The country was very much divided with provincial loyalties and national loyalties to the House of Orange being in constant conflict. These conflicts and the weak rule of William V (1748-95) resulted in the Dutch being totally unprepared for war so that they were overrun by the French (1793-5), who desperate for funds, systematically looted the country. The substitution of paper money for coin (and in French denominations at that); and the failure of the Bank of Amsterdam left the Netherlands in 1815 a poorer and financially speaking much less important nation.

SWEDEN

- 2100A **100 Dalers STOCKHOLM BANK** (A-60) 1666. **VF. (Photo)** (\$3000-6000)

No. 343, the so-called Johan Palinstuck issue after the first signer. The note has two bank seals and 8 seals of the aristocrats, whose names appeared on each note, the seals being used as counterfeit protection devices, being placed on paper and waxed seals attached to the back. As such, they were part of the tradition of "sealed" bills which lasted as late as the 1729 North Carolina Colonial issue.

The note has been folded into sixths, there is foxing and a few petty fold splits. The paper is watermarked "BANCO" the "STOCKHOLMS" part being concealed by the seals. The Stockholm Bank arose in the 1600's in response to a practically endless series of wars, particularly those commencing during the 30 Year's War era (1618-48) where Sweden reached its peak of power. The country however was inhibited in its imperial designs both in Germany and in the Baltic by a dynastic war with a collateral line of the House of Vasa in Poland and by a shortage of people and funds at home. The monetary stringency was due not only to the underdeveloped economy but to the fact that the old nobility had appropriated much of the crownland revenue for itself and then refused to pay the requisit taxes. The result was a rapid increase in the public debt to 10,500,000 dalers. Nor was the situation helped by the fact that the Regency for Charles XI (1660-72) embezzled substantial public funds or by the fact that the Swedish economy and officials profited from war and the economy deprived of this stimulus was in very poor shape.

The Government's inability and indisposition to pay its debts or service them wrecked the Bank, particularly after a new round of wars began in 1674 and the Rigsbank became (1671) a necessary replacement.

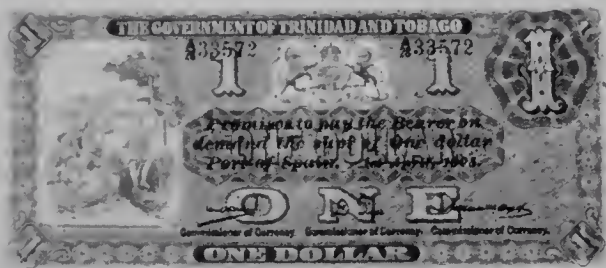

This is the second note of this issue we have ever offered, the first, **VF**, split and repaired with body holes, 10 Dalers, lot 4002 of the Stanley Gibbons Part III brought \$5000. Another note of this issue reportedly sold for five figures at Cherry Hill (November 1985). Thus our estimate may be conservative.

Extraordinary Trial Piece

2219 \$10. B. T-29. (Cr.237). Trial Piece on thin paper. AU. corner folds, two short splits in the wide top margin. (Photo) (★\$300-Up)

This note, made from the master lithographer stone, has the lettering for the other seven positions at the bottom. Evidently this was furnished to someone in authority (probably the Secretary) as the first Duncan Notes of this type came out on March 17, 1862 as part of Duncan's first issue (he took up the position of a CSA Treasury note engraver only in January 1862). A very curious and undoubtedly unique item worthy of the best collection.

Trial Lithographic Proof on Card

- 2246 **\$5. A. T-53 (Cr.390). Trial on Card. Unc. (Photo) (\$200-Up)**

Not particularly sharp like the proofs of this issue, the card being soft, pink and absorbent, the limited ink supply of such items causing a reduction in detail. This style of note is an error in issued form. The note was engraved by Keatinge & Ball; it was to be printed by either Evans & Cogswell or J. T. Peterson. Whoever printed it was supposed to remove the other firms' name. This was done in most cases, remnants of the removed name appearing on the issued bills and variety (Cr.390B) (Plat B only) occurred because the engraver forgot to delete Peterson's name at right. One of four such items known to us, two ex-Chase, one ex-Criswell and this item. Obviously a considerable rarity, worthy of a high bid.

Excessively Rare Trial Proofs on Cardboard

- 2247 \$5. A. T-53. Similar to Cr.381, but no "1st Series". Face and back AU, centerfold, a small split both at the top and the bottom. (Photo) (★\$300-Up)

Printed on pinkish card, with a gutter fold and other folds, only these latter touching the notes. Clearly much sharper than the preceding and clearly from the steel masters or possibly the superfine lithographic masters prepared by George Dunn and the Scottish lithographers whose work will easily pass for steel plate for a few impressions.

One of only two of this high quality known for this type, the other being ex-Philip Chase. Clearly about as near to a Confederate proof as one is likely to get.

NEW YORK
Act of July 1, 1714

- 2395 **Newman Plate Note (Unique?) 6 Shillings.** VF, impaired. (Photo) (\$1500-Up)

The note is hard to grade as it is mounted and has a top edge tear and probably wasn't issued and is soiled to boot. Note the part of the adjacent note indent at left which proves that these like the earlier notes were issued two to sheet, side by side.

This is clearly the Newman plate note as can be seen from the deceptive trimming, the "six" in the denomination, the adding of "L" to General on the second to last line etc. Obviously a great rarity; if Newman could have found a better note for this act he would presumably have used it.

Nicely margined, but wrinkled as made, the back paper not extending down to the bottom of the note. There are two holes in the wide top margin.

No. 1006, signed by Nathaniel Russell the Charleston merchant (who came from RI) and who built the beautiful Nathaniel Russell house in Charleston. His oldest daughter married Arthur Middleton the Continental Congressman. Also signed by William Greenwood. A far better than average specimen of this usually badly worn denomination series. No. 624, signed by Motte, Alexander Moultrie (brother of General William Moultrie) and J. Mathews. There is a short split down the centerfold, there are two worm holes at the bottom and a few scattered ink splatters. An exceptional quality note, much scarcer than the £15, which is not common.

Census Condition Note

No. 689, signed Motte, Huger and R. Smith. Quarterfolded, centerfold edge splits, a worm hole in the right side, a little margin edge deterioration at left. February 8, 1779

- 2448 Some February 8, 1779 Notes. 2 Pcs. (\$140-240)

CITY OF CHARLESTON

- 2451 July 6, 1789 (Photo) (\$400-600)

2 Shillings. Number faded out, but signed by Warham and Beach. Choice Unc, nicely margined, only the faintest of aging.

VERMONT

- 2452 February 1781. 10 Shillings. No. 3101. Porter, Waltbridge. VG, or so. (Photo) (★\$1000-Up)

Difficult to grade as what is present is F-VF. However, there has been extensive restoration work in the upper left border, to the lower right part of the top border and to the bottom right corner. The note has been cut in half (practically all survivors were cut to pieces) and deftly rejoined. Since most notes today are put together, many with restoration work, this is a respectable and reasonably priced specimen of this popular issue.

VIRGINIA

April 1, 1773

- 2453 JAMES RIVER BANK form. 20 Shillings. Fine. (\$150-300)

No. 27/2642, signed by Payton Randolph (1721-1775) Speaker of the House of Burgesses (1766-75) thus at signing, President of the Continental Congress 1774-5. Also signed by John Blair (1732-1800), Virginia legislator, judge, U.S. Supreme Court Associate Judge (1789-96) and Robert Carter Nicholas, the Treasurer of VA.

Much split and holed, with a center strip and another dozen or so strips, with pieces gone at the center and the left edge, thusly filled.

July 17, 1775

- 2454 **£12. VF**, impaired, JAMES RIVER BANK form. (\$60-100)
No. 8720 (ex our Elliot Sale, May 1979 Lot 246). Signed by Johnson, Norvell and Robert Carter Nichols, the Treasurer and Virginia Speaker who made Patrick Henry eat his "Give Me Liberty or Give Me Death" speech. (Henry like most modern congressmen evidently preferred a physical death to the political extinction of being tossed out of the flesh pots provided by being a member of the House of Burgesses).
There are three holes in the top edge, two of which have been filled, otherwise there are 6 or so folds and scattered foxing spots.

July 17, 1775

Small Bill

- 2455 **£2. No. 5667**, sign by Johnson and Norvell. A lovely note that appears to be **Unc.**, but has just the faintest hint of a centerfold. The left, bottom and right margins are adequate; the top margin is a trifle close. One of the nicer ones we have offered in the last few years. (\$200-Up)

- 2456 **Selected High Denomination July 17, 1775 Small Bills 3 Pcs.** (\$125-200)

1) **10 Shillings**. No. 6147. Norton-Lyne. **VF**, quarterfolded, heaving along the vertical centerfold with a corner fold. There are also foxing spots and rounded corners. 2) **20 Shillings**. No. 16293 Norton-Dixon. **EF**, a light centerfold, the right corners are rounded and there are back ink stains. 3) **£2**. No. 3956. Johnson-Norvell. **VF-EF**, lightly quarterfolded, clean, rounded corners.

All three are above average in grade for this issue with real eye appeal.

- 2457 **Assorted Early Revolutionary Virginia Bills. 4 Pcs.** (\$75-125)

1) July 17, 1775. Small bill. **£2. F-VF**, surface fold splitting, rounded corners. 2) May 6, 1776. **\$5. - 2458 **£15 (\$50). Very Fine.** (\$150-300)

No. 1102, signed by Stark and Archer. Quarterfolded off center, tight splitting down the center, taped, scattered foxing and a trimmed left border (as usual). A far above average specimen of this issue, most of which are pretty well split and worn.

No. 891, code M.XV. Signed by Jno Hopes (?) as loan commissioner. The right end has been torn off and poorly rejoined, with everything out of alignment. ENGRAVINGS, PROOFS AND RELATED ITEMS

Listed below are the original photo engraved copper half tone plates for the note illustrations used in the first edition of Robert Freidberg's "Paper Money of the United States", published in 1953. Great care was taken in the manufacture and safekeeping of these plates until today, some 33 years later, when they are being offered for public sale. It was only recently that their existence was even made known. We have carefully checked them and can verify that these are the original plates used in the production of the Freidberg book, which is now in its eleventh edition, and remains the definitive reference in its field. Each plate is embossed on the side in the wood with the engravers mark, which is IREV in a marque with number 885. Good luck to the successful bidders with these interesting and exciting pieces of numismatic history — A once in a lifetime opportunity for some fortunate bidder as each plate is unique.

COLORADO

- 2721 **Extremely Rare Colorado Territorial Note (Photo) (\$400-Up)**
 Denver. C.A. COOK & Co. 20¢. 186—. Henry Seibert & Co. Gr, bk. U. VF, quarterfolded, crumpled.

The firm of C.A. Cook & Co. was established in 1859 by Charles A. Cook and Jasper P. Sears near the Cherry Creek Mining Settlement. Cook, a Republican served in the legislature, got the seat of government removed from Golden to Denver and then was elected Mayor of Denver in 1861 (1861-3). In 1866 he had the misfortune to lose \$11,000 in a billiards match, but died rich anyway. Sears was only associated with Cook from 1859-1863.

The firm, originally established as a general store meeting the needs of miners became perforce a private bank because of its extensive dealings in gold dust. In 1861, with coin being hoarded, the firm put out 10¢, 20¢, 25¢, 50¢ and \$1 notes supposedly printed by Seibert on steel plates (actually they were lithographed). \$2000 worth were put out, their issue ceasing on April 19, 1863 when the firm's building was destroyed by fire. All the notes outstanding were reported paid off by 1864 and Cook & Co. was merged in 1865 to form the First NB of Denver (Ch-1016).

 The "town" of Hinsdillville (obviously named modestly for himself by "S. Hinsdill" in whose name this note was issued, can not now be found but was probably in Mississippi because of the custom of issuing notes of the denomination in the Lower Mississippi Valley and particularly so in Mississippi where extreme financial stringency was already apparent in 1836, nearly a year before the general bank suspensions of May 1837.

- 2936 **CONFEDERATE TREASURY DRAFT (CSA TRANS-MISSISSIPPI DEPARTMENT, Marshall, TX). \$378.** Payable to Thomas C. Gale, endorsed by him on the back. VF, edge split. (Photo) (★\$275-Up)
- With the loss of Vicksburg and Port Hudson in 1863, the Confederate forces in Texas, Louisiana and Arkansas were cut off from those east of the River. Without pay the Confederate forces disintegrated. To check this, the Confederate Congress created an Assistant Treasurer's position in the Trans-Mississippi with full powers to pay bills, float debt and even to appoint other Treasury agents as required. Judge P.W. Gray of Texas was appointed to fill this position. This warrant Nos. 38/34 printed by E. H. Cushing of Houston, Texas and dated October 4, 1864 was issued from Marshall, Texas, the seat of the new office and was signed by Judge Gray and by M.J. Hall, "Principal Depositary T.M. Dept."
- Less than 150 of these were issued, the 1865 pieces being signed by Hall as Assistant Treasurer and agent.

- Anti-Jacksonian Democrat Satire Note**
- 2971 HUMBUG GLORY BANK 6c. 1837. H.J. Winslow. VG, aged, repaired splits. (Photo) (\$150-Up)**
 A Whig satirical note sold by J.H. Winslow at No. 6 Little Green Street, near Maiden Lane, N.Y.C. Copyrighted in 1837 in the Southern District of the New York. "Martin V." SC; published at 89 Nassau St. This note satirizes the Panic of May 1837 and the depression which followed blaming them on the Democrats. The political allusions for those not up on them are as follows, left to right. 1) 6 coins - Jackson's Head 1837 Liberty - attacks Jackson's head on the coinage because of his alleged despotic tendencies; the coins are U.S. large cents, not the specie currency promised by the Jacksonian Democrats. 2) "I leave this great people prosperous and happy" - Managers last kick - attacks Jackson's valedictory issued in early 1837 when the crash was clearly coming. 3) Donkey "Roman Firmness" - attack on the Democratic mascot "Assine Stubornness" being clearly the translation for "Roman Firmness". 4) "Better Currency" - a clear attack on the coin shortage, the surfeit of irredeemable bank currency. 5) "We promise to pay..." attacks Senator Benton and the massive issue of post notes. 6) "Six cents in mint drops or Glory at Cost" - spoofs Bentons "mint drops" - the new gold coinage. 7) "Cunning Reuben" "Honest Amos" signatures refer to Jackson supporters, "Honest Amos" being Amos Kendal of Kitchen Cabinet fame who later became Post Master General. 8) "In Seven Months from this time bank rags shall be abolished - Globe of 1834. Attacks Editor Blair (another kitchen cabinet member) and also the pet banks (who had taken over the U.S. Government deposits) and had flooded the country with irredeemable and unsound notes when the Democrats had promised an all coin currency. 9) Hat, whip, pip, glasses "vets" all Jackson's hallmarks surrounded by rays of "Glory", the country's economy having of course "gone to Glory" (died).
